**WHERE SHOULD THE CONSUMER BUY?**

In the ordinary course of trade the consumer buys his tea from the retailer, the retailer from the jobber, the jobber from the importer, the importer from the producer. This is commonly known as the regular channel of trade. This is necessary in most cases as many merchants, both wholesale and retail, have not sufficient trade to purchase from the place of growth.

**STROUD BROS.**

are one of the few firms who have built up a trade sufficient to enable them to purchase from first hands and the benefit of such buying enables them to be the medium through which the Consumer of Tea can purchase that article Without PAYING SEVERAL PROFITS.

**CATARRH**

CURED BY

**MEDICATED INHALATION.**

Inhalation is the only Rational Method of curing Catarrh. By this means the proper remedies are applied in vaporous form to every diseased air cell of the nose and throat Under its influence the secretions dry up and the irritated surface is soothed and healed.

FACTS ABOUT OUR TREATMENT.

It can be sent safely by express to any point. The directions are plain and simple. The Inhaler is easily understood—a child can put it in operation. The Inhaling liquid does not require to be heated, simply poured into the Inhaler.

The operation is more pleasant than painful. When the disease is in the throat you inhale through the mouth. When the disease is in the head you inhale through the nose. It takes from one to three months to cure a bad chronic case. 5 to 10 minutes twice daily is required for treatment. It will destroy any bad smell in a few days. It will take a Catarrhal headache away in a few minutes. It will break up a cold in the head in a few minutes. It can be used at your home as successfully as in Toronto. It can be sent at a cost of 25 cents by express.

Address MEDICAL INHALATION CO.,

N.B.—We are certain we can cure you, write for further particulars and testimonials. Send stamped envelope to any reference we ever give, and convince yourself of the merits of our treatment. A child can use our Inhaler

**He is His Country's Man.**

"If you want a straight party man I cannot be your candidate. I will support Sir John in his general policy, but if the other matters upon which I have differed from my chief come up, and no doubt they will, I shall take the same position as I have already taken. It matters not to me what Government is in power or what Government is destroyed.

"If you want a party man, select some other, but if you take me you will have to take me with my conscience and with my principles—you will have to take me as I am."

The Man spoke in every word that D'Alton McCarthy addressed to his old constituents in North Simcoe. He spoke as a man to men. Other leaders have been partizans speaking to partizans, but the manhood in his words appealed to the manhood in true hearts, and it did not appeal in vain.

North Simcoe is not drunk with partizan enthusiasm. The Conservative convention knew a man when it heard one, and its response to the leader who has done and suffered so much for principle had in its sincerity some compensation for all his sacrifices.

Oh, it is good to hear the accents of genuine manhood ranging above the chorus of shambling nothings. Politicians generally aspire to be mere pegs to hang an office on, D'Alton McCarthy belongs to a nobler school.

"If you want a straight party man I cannot be your candidate. I will support Sir John in his general policy, but if the other matters upon which I have differed from my chief come up, and no doubt they will, I shall take the same position as I have already taken.
