

One reason why the **Nash Road** (the regular built road) will outlast any other road twice over, is that it is regular built. **IS THERE ANY OTHER REGULAR BUILT ROAD?**

But there are other reasons, reasons known to and admitted by the ENTIRE PROFESSION OF THE CIVIL ENGINEERS which make it more than twice. HADN'T you better ACQUAINT yourself with these reasons.

ANYBODY can say they have got the 'best' road, but that don't make it so. WHAT REASON is there for the present DEPLORABLE SITUATION in paving affairs?

IF YOU WANT TO KNOW, ask

The Nash Road, Borough of Brooklyn, N. Y. City, U.S.A.
