STOCK GOSSIP.

In writing to advertisers, please mention
the Farmer's Advocate.

Mr. David Birrel, Greenwood, advertises in
this issue some valuable young Shorthorn
bulls. Mr. Birrel has a splendid herd, estab-
lished long ago, and has been constantly im-
proved. Breeders needing stock animals
should remember that these cattle are among
the best, and their owner an honorable man.

Whiteside Bros., Innerkip:—"The number
of inquiries which we are daily receiving is
abundant evidence of the increasing popularity
of the Ayrshire with those who are desirous of
improving their dairy herds. The young bulls
which we are now offering are exceptionally
well bred, and will do good service for those
who buy them."

The opportunity of securing some first-class
Scotch Shorthorn blood should not go unim-
proved at the present time. Mr. J. G. Taylor,
Rockwood, whose extensive sale is to be held
Wednesday, January 16th, furnishes an oppor-
tunity to secure the formation of what ought
to be in a very few years valuable Shorthorn
herds. The ten bulls and forty females will no
doubt bring much less than their real worth to
purchasers. Mr. Taylor will be pleased to
furnish catalogues on application.

Jas. S. Smith, Maple Lodge, writes:—"Our
stock are doing very nicely. The young calves
now coming, sired by our new stock bull
British Flag, a son of Barmpton Hero, please
us very much. They promise to possess that
style so rarely found, except in the best Bates
cattle, but which their sire has in a remark-
able degree, coupled with the sturdiness of
body of the Scotch-bred Shorthorn. The cattle
we intend offering at public sale about the last of
February (of which we will have notice by ad-
vertisement in next No.) will be in nice shape.
They will compare favorably with the best lot
we have offered before, and a large percentage
are from our best milkers."

J. M. Hurley & Son, Belleville, Ont., writes:—"Our
pigs are doing exceptionally well, and we
have some very fine young sows due to farrow
in spring, also a few select boars fit for service.
All our sows will have pigs early in March
and February. We used four stock boars this
fall, so are able to supply pigs not akin. The
boars are all prize-winners of the right type.
One of the boars was Maxim (577), counted by
S. Butterfield, Sandwich, to be the best boar
in Canada. Sales have been numerous lately,
and orders for spring pigs are coming in. Re-
cent shipments were to R. S. Shaw, Woodburn;
Chas. Doe, South Newbury, Vermont, and J. N.
Greenshields, Danville, Quebec. The extent of
country our pigs travel over speaks for the ex-
cellence of our stock."
