HARVESTING' "SUCCESS"
FROM OCEAN TO OCEAN WITH
DEERING HARVESTERS.

THE DEERING LINE OF LIGHT-DRAFT IDEALS

Is recognized as the embodiment of the best and most advanced ideas in harvester construction. It is an invariable rule that where a Deering machine is once used it is permanently installed with the regular farm equipment. Generation after generation have used Deering Harvesters without departure from their allegiance to the products of the big Deering works, the largest harvester plant in the world. It requires genuine merit to win such recognition.

The Deering Harvester Company controls the entire output of the Mann Manufacturing Co., Limited, of Brockville, Ont., and are prepared to supply the trade with the famous Mann line of Seeding and Tillage machines.

The Book and the Plan.

I have a new plan—a safe plan, too. Something unique, something uncommon. Something no one else ever ventured to do. Something I believe no one else ever will venture to do.—Here it is.

You can get for yourself, or for some friend that may need it, the book shown below. No money is wanted. Simply write me a postal for the book you desire. That is not all. With the book I will send you an order, either for yourself or some sick friend, on your nearest druggist for six bottles of Dr. Shoop's Restorative. I will instruct the druggist to let you take it for a month; and if it succeeds it will cost you \$5.50. If it fails, the dealer will send the bill to me. There is no catch, no deceit. My Restorative must stand this test of merit.

Is not this a remarkable offer? Some have asked me if I actually allow the 30 days' test entirely at my own risk. It does seem incredible, but that is just exactly what I do. The book tells how I am able to make such an offer. It tells how I reach with my Restorative deeply-seated and chronic diseases that have baffled the treatment and skill of other physicians.

My records show that 39 out of 40 who take this treatment are cured. The record is one I am proud of. I will tell you how I am able to make such a record.

I have learned how to strengthen the inside nerves. The nerves that bring strength or weakness to the vital organs. My ability to do this explains the secret of my success. This is why I am able to assume the entire risk; to offer a plan that absolutely protects the patients against loss unless I succeed. This offer is too fair to need argument. Will you not make this known to some sick person? Your reward will come in knowing you have made it possible for this sufferer to regain his health. Do not let prejudice prevent your learning about my way of curing. Thousands upon thousands need the help I offer. I cannot personally reach them all. Every person knows of some sick one. You can help me to place this opportunity in the hands of some such person. Will you do so? Will you do it now, to-day?

Simply state which book you want, and address Dr. Shoop, Box 52, Racine, Wis.

Mild cases, not chronic, are often cured by one or two bottles. At all druggists. om
