## GOSSIP.

HILTON HOLSTEINS AND TAM-  
WORTHS.

Mr. R. O. Morrow, Hilton P. O., four  
miles north-west of Brighton Station, G.  
T. R., needs no introduction in these  
columns. His name has appeared in  
"The Farmer's Advocate" columns for  
many years as a breeder of high-class  
Holstein cattle and Tamworth hogs, and  
few men in the business have a more  
generous share of public confidence. The  
22 head of Holsteins now in the herd  
represent about everything that consti-  
tutes a typical Holstein and an ideal  
dairy cow. The stock bull is Jack  
Horner, a son of the richly-bred Emperor  
Joseph, and out of Evergreen 1868, a  
full sister to the great cow, Carmen  
Sylvia. Second in service is Sir Mutual  
Buttercup 2nd, by Sir Mutual Beet's  
Roy, dam Christmas Jennie, with a but-  
ter record of 18 lbs. Among the cows  
is Pauline Albino De Kol, that has given,  
in ordinary feed condition, 10,000 lbs. in  
the milking season. She has a beauti-  
ful bull calf, by Toitella Pietertje De  
Kol Boy 3509. Goods of Pine View  
Farm is a 60-lbs.-a-day cow. Lady  
Acme's Pearl is another 65-lbs.-a-day  
cow. Then, there are heifers giving 40  
lbs. a day. Next spring, the herd will  
be officially tested. Owing to the ex-  
traordinary demand Mr. Morrow has had  
for his cattle, there is not much for sale.  
The young bull mentioned is the only  
male, but a few heifers could be spared.  
The same active demand has been ex-  
perienced for Tamworths. There are two  
four-months-old and one six-months-old  
boars and one four-months-old sow for sale,  
and a number of younger ones, an ideal  
lot.

MINSTER HOLSTEINS AND YORK-  
SHIRES.

Five miles from Hastings, on the Belle-  
ville-Peterborough branch of the G. T.  
R., lies Minster Stock Farm, the property  
of Mr. Richard Honey, the well-known  
breeder of Holstein cattle and Yorkshire  
hogs. Mr. Honey, or Dick, as he is  
known among his wide circle of friends,  
is one of those genial, whole-souled men,  
constantly making friends; strictly up-  
right and honest in all his dealings. He  
enjoys a splendid trade in his pure-bred  
stock. Once a purchaser, always a pur-  
chaser is his experience, for his stock is  
right, and he does exactly as he says.  
The 22 head of Holsteins now in the  
herd are an ideal lot—large, typical  
dairy cows—and heavy producers. None  
of them have been officially tested, but  
Mr. Honey intends to proceed at once  
with the official test as rapidly as possi-  
ble, and they will certainly show up re-  
markably well, as among them are such  
crack milkers as Queen of Minster, who  
has to her credit 84 lbs. of milk a day;  
Minster Maid 2nd, milk record of 75 lbs.  
a day (she now has a grand heifer calf);  
Yongste Aagie's Maud of Minster, an-  
other 75-lb. young cow (she has a five-  
months-old bull calf, a straight, even  
youngster); Queen Pear De Kol, a  
daughter of Queen of Minster, a very  
large cow of extra nice type that will  
surely make a big record. Snowflake  
Queen DeKol of Minster, a grandam of  
Queen of Minster, another very heavy  
and persistent milker (she has a rare  
nice bull calf); Rooker's Jongste Tensen  
is another of the extra good ones.  
Nearly all these are winners at the lead-  
ing county shows in this section. For  
sale are four young bulls from two to  
ten months of age, sired by Katie's  
Iosco De Kol 3350, winner of first at  
London and second at Toronto, under a  
year, sired by Iosco Pride Pan-American,  
whose dam Iosco Pride won first and  
sweepstakes at Toronto and Pan-Ameri-  
can, dam Katie De Kol, another noted  
show cow and producer. This bull is  
one of the high-class show bulls of Cana-  
da, his make-up being about perfect.  
In females for sale are a number of  
young heifers, by same sire. These  
youngsters are an essentially high-class  
lot, and should soon be in other hands  
at the price asked.

The Yorkshires leave nothing to be de-  
sired in their type and quality, and the  
increasing demand for Yorkshires bred  
in this herd is the best guarantee that  
they are the kind wanted. Just now,  
they are about all gone that are old  
enough to ship, but more are coming on.  
Write Mr. Honey, to Brickley P. O., Ont.

## Lump Jaw

The first remedy to  
cure Lump Jaw was  
**Fleming's Lump Jaw Cure**  
and it remains today the standard treat-  
ment, with years of success back of it,  
known to be a cure and guaranteed to  
cure. Don't experiment with substitutes  
or imitations. Use it, no matter how old or  
bad the case or what else you may have  
tried—your money back if Fleming's Lump  
Jaw Cure ever fails. Our fair plan of sell-  
ing, together with exhaustive information  
on Lump Jaw and its treatment, is given in  
Fleming's Vest-Pocket  
Veterinary Adviser.  
Most complete veterinary book ever printed  
to be given away. Durable, bound, indexed
