A HYMNAL

For use in Prayer Meetings, Sabbath Schools and on other occasions.

It contains 215 Hymns, selected with great care, by different persons of taste and judgment, from the standard Hymnology of Methodism, as well as from the modern revival Hymns which have been received with so much favor by all the Churches.

It is printed in large, clear type, which may be used easily when that of many other Hymnals cannot be discerned.

This Hymnal has the sanction of members appointed by the General Conference in this section for the oversight of matter to form a new Hymn-Book. Though not intended by any means as a fulfilment of the duty assigned to the Hymn Book Committee, it will no doubt be found a valuable aid in reaching that end.

Price, paper covers, 15 cents each. Cloth, 20 cents, the usual discount to congregations and to the Trade.
