SURPRISE AND PRESENTATION

AT FULLER

On Friday evening last, about seventy five persons took possession of the home of Mr. and Mrs. Lorne Brough and presented them with a lovely couch, jardiniere stand, and hall-table.

Mr. J. M. Geen acted as chairman, and after calling all to order, the following address was given by Miss Clara Postle:

Mr. and Mrs. Lorne Brough,—We, your neighbors and associates, have gathered here to spend one more social evening with you, and to bid you farewell before you depart for your new home at Zion's Hill.

Our presence here is the best assurance of our friendship and of our good-fellowship as neighbors and friends.

As the time for your departure draws near, we realize more keenly the loss which our community must suffer by your removal. But yet we are glad to know that 'what is our loss is another community's gain.'

We have known you from your childhood and have been school-mates together, of which we cherish fond recollections. Since then, throughout the years, we have learned to love you for your own worth, integrity, respect, and honor in this community.

We hope that your new friends will learn your worth early and give you a good home among good friends, with the opportunity to serve them as you have served us.

Thus, as a slight token of sincere friendship and of our esteem, we ask you to accept this gift together with our hearty good wishes for a bright and prosperous future.

Signed on behalf of your friends, Alger Post, Sam McCoy.
