tive policy since 1896.

3.-Condemning the Liberal administration for lavish expenditure of funds and ignoring the necessities which exist in Columbia Ave. ROSSLAND R.C. this province.

4.-Condemnatory of the lavis- expenditure on public works and the failure of the government to provide the necessary, public works in British Columbia.

5.-Condemnatory of the flagrant neglect of the government to improve the navigation of the Fraser river and protect the low lands from floods.

6.-Deploring the abuse of power of the government on the fishery question in spite of the privy council declaring the fisheries to be vested in the provinces.

7.-Deploring the neglect of the government in fostering the fishing industry. 8.-Regret that the nationalization laws of Canada have not been amended by the government, thus preventing the notorious abuses prevailing in this province.

9.-Denunciation of Premier Laurier for not carrying out his ante-election pledges regarding Chinese immigration. 10 .- Condemning the government for encouraging and assisting Mongolian im-

migration into the country. 11 .- Regret that the government has failed to refund money paid by settlers The plans of the sampling mill at the Lo

for Dominion lands. 12.-Indignation that the claims of the province for representation in the federal cabinet had been ignored.

13 .- Condemning the government for not offering an impartial investigation into the affairs of the Yukon.

14.—Condemning the government for the duplicity practiced in the prohibition question.

15 .- Regarding with gratitude the attitude assumed by Charles Wilson in con-nection with the late provincial contest. 16 .- Favoring the increase of duties on lead and white lead, red lead, orange litharge, adequate to insure the manu-facturers of these substances in Canada. The convention concluded its delibera-The convention concluses the following offi-tions the stiermoon. The following offi-cers were elected: President, R. Mey Bride; vice-p. eident, R. Reid, New Washingter: secretary, J. C. South; Westminster; sec. tary, J. C. South; treasurer, F. S. Barnard. A vote of con-lidence was passed to Sir Charles Tupper, A motion to leave out the word Liberal in the party name was withdrawn. A resolution that Charles Wilson be party

BARBARIAN BROWN.

He Passed Through This City Yesterday En Route for the Boundary.

Mr B A Brown, better known "Barbarian" Brown, accompanied by Mr. John Empey and Mr. Stevens, arrived here yesterday from New York. They are en route for the north fork of the Kettle river, whither they go for the They will purpose of examining a mine. They will be back in a few days. Mr. Brown has had an eventful career in mining and has mined in South Africa, in the United States and British Columbia. At pres ent he is conducting his operations New York. He is one of the plungers in mining and when he is offered a good thing in the way of a mine he will secure it at almost any cost.

Road Nearing Completion.

Late reports from Sophie mountain are to the effect that all but a mile and a half of the wagon road between the Vel-vet mine and Northport is completed, and another week should see it almost hinished. Captain James Morrish, the United States government, managing director of the Velvet mine, is at the mine. He is getting matters in shape for the compressor plant, which is expected to arrive here shortly, and which is to be hauled in to the mine after the wagon road is completed.

On a Tour of Inspection.

The party of Canadian Pacific officials, consisting of Mr. R. Marpole, superin-tendent; H. J. Cambie, engineer of the Pacific division; Captain J. W. Troupe, superintendent for Kootenay; J. S. Lawrence, trainmaster of the Columbia & Western, and Mr. F. D. Abbott, secre-tary for Mr. Marpole, are at the Allan. Mr. Marpole and Mr. Cambie left Van-
