

To The People of Newfoundland:

FELLOW COUNTRYMEN:

The Mother Country has been compelled to go to war to preserve, among other things, the rights and liberties which we all enjoy as citizens of the Empire.

Newfoundland, in common with the other Oversea Dominions, has pledged itself to assist the Mother Country with material help in the present extremity.

This is to take the form of an increase of the Naval Reserve from Six Hundred to One Thousand men and the raising of a Regiment of Five Hundred men for land service abroad, and the Colony has further undertaken to assume the full cost of this contingent of Five Hundred men during the course of the war.

It is our duty and privilege, as loyal and patriotic citizens of the Empire, to voluntarily assist in supporting this movement, and to raise a fund for that purpose. This Patriotic Fund will be applied primarily in making provision for the dependent relatives of those who undertake to fight the battles of the country and the Empire by land and sea and afterwards to such other objects connected therewith as may be deemed desirable.

The need is great and in the confident expectation that this appeal will evoke a prompt and generous response, we respectfully but strongly urge all who can, to give as liberally as possible towards this most deserving object.

The undersigned, on behalf of the Patriotic Committee appointed to undertake the organization and despatch of this regiment, appeal for subscriptions toward this Fund. Contributions may be sent to the nearest magistrate, to the branches of any of the Banks doing business in the Colony, or to the Treasurer, J. S. MUNN, ESQ., and they will be gratefully acknowledged.

E. P. MORRIS, Prime Minister.

MUCH MYSTERY ABOUT TACTICS OF THE GERMANS

Military Critics Are at a Loss to Understand Their Recent Movements

TRYING TO PIERCE THE FRENCH ARMY?

Belgrade is Reported to be Putting up Gallant Defence Against Austria

London, Sept. 7.—The German plan of campaign is for the moment a mystery.

The great sweep through Belgium and the plains of northern France with constant outreaching on the west to turn the left flank of the allies was understandable and foreseen even though the allies refused to believe the Germans could move so far and yesterday's bulletins, stating that the main German army of invasion from the north was turning away from Paris and going toward the south and east, appeared to be confirmed and the theory that finds supporters is that the German purpose is now to strike through the centre of the French army leaving Paris partly invested from the north and to crush the main French force by co-operation with another German army advancing from Lorraine.

The news that the Germans are attacking the fortress of Nancy, and that Emperor William with his staff are attending the operations tends to fortify this theory.

A despatch from Rome says that, according to reports from Nish, Belgrade is still putting up a magnificent defence giving an heroic example of the endurance of both soldiers and civilians. Even the women are fighting stubbornly.

ALLIES GAINED AN ADVANTAGE

Paris, Sept. 6.—An official communication this afternoon says that the advancing line of Allies for the defence of Paris came in contact yesterday with the right wing of the Germans, who appeared in a covering movement in strong force on our right, and advancing towards the south east.

A short engagement resulted to the advantage of the Allies.

GOOD PICTURES AT THE NICKEL

A delightful programme which is now varied to suit every taste will be given at the Nickel Theatre this evening.

The principle film is "Life's Pathway," a two-reel production, presenting the clever Tanhauser actress, Flo Labadie, in a dual role. The great photo-play indicates the episodes in the lives of two sisters, who take divergent paths which lead them into different points, letting fate shape their destinies and fickle fortune their futures. It is a very pretty story and it is charmingly told.

"The Flirt" is a fascinating comedy-drama, with an admirable blending of humor and pathos.

There will also be a Pathe Weekly and a Keystone comedy.

Mr. De Witt C. Cairns will sing the beautiful baritone solo, "A Son of the Desert, am I."

The following passengers arrived by the Fogota Saturday: Miss Butt, Miss Mott, Capt. Cull, S.A., Mrs. Borne, Cadet Wells, S.A., Mrs. Lockyer, Master Lockyer, J. B. Perry, R. Parsons, C. Morris, P. Humphries, S. Hefferton and 10 steerage.

WANDERERS WERE WINNERS IN BALL GAME

Score Was Eleven to Two for the Wanderers—Winners Pitched Fine Game

Saturday at St. George's Field, the much talked of challenge match between the Red Lions and Wanderers resulted in a win for the latter by 11 runs to 2.—Both teams had out their full strength, the Red Lions being especially reinforced by the addition of Billy Anderson who has returned for volunteer service.

It was the Wanderers' day out, however, and Brown, backed up by flawless fielding, pitched a remarkable game, no Red Lion reaching first base in the first three innings and only three men getting to third base in seven innings.

Only four hits were made from Brown's delivery, whilst Anderson was hit pretty freely.

Features of the game were a running catch by Munn and the batting of Burkhardt, the latter getting four hits in as many times at bat.

The score and line up follow:

Red Lions	Wanderers
Anderson	Brown
Hiltz	Ford
Ross	Catcher
Robson	1st Base
Frost	2nd Base
Winter	3rd Base
Munn	Short Stop
	Burkhardt
	McCrindle
	McLeod
	Pritchard

Captain Kendrick Joins Bonaventure

Capt. Kendrick leaves by this evening's express for Bay of Islands to join S.S. Bonaventure as chief officer, replacing Mate Green, who took charge of a little steamer for the northern regions some time ago. The Bonaventure then proceeds to Hudson Bay.

Offered as Chaplain

Rev. J. Prescott, of Change Islands, has offered as chaplain with the Newfoundland volunteers. Owing to our contingent being small a chaplain will not be taken.

MOTOR BOAT F.P.U.

For Sale! Motor Boat F.P.U.

Built for R. H. Silver, Esq., at their premises, Greenspond, in 1912. Used by President Coaker the last two summers during his cruises North.

Boat is fitted with a 27 h.p. Fraser Engine, which has given splendid satisfaction. The boat is 40 feet long and 9 feet wide, and would make an ideal mission boat.

She contains sleeping accommodation for four, and tanks for 250 gallons of fuel. Nineteenth of the fuel consumed by the engine is Kero oil.

The reason for selling is, the boat is not large enough for the purpose she is now used for.

The boat cost about \$1800, and is well fitted in every respect. She is provided with sails. She would make a fine boat for collecting bait or for fishery uses.
