SEVEN LIVES LOST

In Addition, to the Property Loss
at Hull and Ottawa.

The Insurance Companies Will Suffer
Very Heavily—Some Those
Hardest Hit.

THE DEAD.
Miss Minnie Cook, aged 40 years,
drowned in her own house.

John Pampel, car-repairer, 646 Som-
erset street, suffocated in Canadian
Pacific yards.

George Peely, shoemaker, 124 Queen
street west, suffocated.

John Dure, Hull, fireman for E. B.
E. Eddy & Co.

Unknown man, found dead in Mey-
ers house, Wellington street, Hull.

Mrs. Carron, Wellington, Hull, died
from fright, aged 80 years.

A. Baudin, 8 years old, son of Chas.
Baudin, Duke street, Hull.

Ottawa, April 28.—Over five square
miles of territory burned over; more
than 2,000 buildings destroyed; seven
lives lost; 7,000 men, women and
children homeless and property loss
estimated at \$15,000,000 according to the latest
estimate, insured for as viewed to-
day, of the destructive fire which
swept this city and Hull. Although
under control for many hours, the
flames were not extinguished
until about noon yesterday.

A relief committee has been formed
by the citizens, and this together with
the Catholic Archbishop of Ottawa
and Montreal will make an appeal for
relief to the country.

The most serious problem that con-
fronts Hull is that of work. The
majority of householders who were burn-
ed out are poor and have large fam-
ilies. It is not expected there will be
employment for a considerable period
and the way in which many of the
poor are going to live in the meantime
is doubtful. On the Ottawa side fully
two-thirds of Dalhousie ward is des-
tated and an estimate by residents of
the district place the number who
were without roofs of their own last
night in this district at 5,000.

RELIEF POURING IN.
Among those who have subscribed
so far are the following:—Dominion
Government, for immediate use,
\$10,000; city of Ottawa, for im-
mediate use, \$10,000; Ontario Govern-
ment, \$25,000; Bank of Montreal, \$10,000;
Hon. George A. Drummond, Montreal,

\$1,000; Ottawa Board of Trade, \$500;
Bank of Ottawa, \$5,000; His Excel-
lency, the Governor-General, \$1,000;
Hon. Wm. Muloch, \$500; Citizen fund,
\$1,500; Journal fund, \$1,000; Sir Wil-
frid Laurier, \$100; Hon. R. W. Scott,
\$100; Geo. H. Parley, \$500. The Domini-
on has promised \$200,000, which makes
\$156,000, and contributions are coming
in from all quarters.

At a public meeting last night in
the city hall it was decided to ask
leave of the provincial government to
borrow \$100,000 by issuing debentures,
as a means to relieve the distressed.

It is quite impossible at this stage
to form any accurate estimate of the
money loss by the fire. It is variously
estimated to be from \$5,000,000 to \$15,
000,000. Not only the insurance com-
panies but the proprietors of the in-
terests which have been destroyed are
exceedingly reticent in their estimates.
In almost every instance these
gentlemen, although repeatedly ques-
tioned, declined to put any final figure
upon their losses. Certain rough esti-
mates are already available.

SOME HEAVY RISKS.
Insurance aggregating about two
million of dollars is carried by five
or six leading agents in Ottawa. The
big companies that are wiped out in
the fire, Robert Stewart company,
about \$250,000, divided among the
Hartford, Atlas and National com-
panies. W. G. Black carries upwards of
\$450,000, including \$200,000 in the
Guaranty, \$50,000 in the Niagara and
\$200,000 in the Royal Pontiac &
Masson, in the Atlas, Hartford, Scot-
tish Union and National; stand to lose
\$250,000. C. A. Douglas has \$200,000,
divided almost equally between the
London & Lancashire and the Queen
companies. Culbert & Sons have over
a quarter of a million insurance,
\$150,000 alone of which is on lumber.
These companies are the Phoenix of
Hartford, Phoenix of Brooklyn, Nor-
wich Union, DeFar & Belmont carry
\$225,000 in the Manchester, Law Ur-
son and Crown American and Connec-
ticut. The Caledonia Insurance Com-
pany of Montreal, losses \$275,000. Man-
ager A. B. Powell, of the Ottawa In-
surance Company, states that their
loss will be about \$15,000. They had
\$7,000 on the Export Lumber Com-
pany, Hull, half of which was reinsur-
ed. The balance of the losses was on
residential property, the Bank of Ot-
tawa buildings, Hull, and on the power
houses of the Ottawa Electric Light
Company. Mr. Powell says the Otta-
wa Company carried \$10,000 on
Looch's mill, but this excepted. The
company came off fortunate, consider-
ing the heavy risks which they car-
ried. The Ottawa Electric Company's
loss is computed at \$200,000 and of the
Street Railway Company \$150,000. The
Royal and Queen Insurance compan-

ies desire all those who suffered by
the recent fire and have policies with
them to send their names to their
agents, so that losses may be adjusted.
The approximate losses are—K. B.
Eddy Co., \$2,000,000; McKay Milling
Company, \$350,000; Hull Lumber Com-
pany, \$750,000; A. R. Booth, \$2,000,000;
Bronson's Lumber Company and allied
companies, \$750,000; Dominion Corbide
Company, \$100,000; J. Oliver & Sons
Company, \$350,000; Chas. Maclean
and Foundry Company, \$75,000; Hild-
ing Machine and Foundry Company,
\$100,000; C. P. R. freight sheds and
station, \$100,000; Victoria Brewery,
\$50,000; Ottawa Brewery, \$35,000; to-
tal, \$7,535,000.

COMPANIES WHO SUFFER.
Toronto, April 28.—So far as can
be learned the losses of the home
companies, with head offices here and
the foreign companies, whose chief
Canadian offices are in Toronto, in
the great Hull-Ottawa fire, are:
Western, \$150,000; British-American,
\$110,000; Lancashire, \$150,000; Man-
chester, \$100,000; London & Lan-
cashire, \$110,000; Norwich Union, \$100,
000; Mercantile, \$20,000; San of Lon-
don, \$57,000.

This loss totals up to \$757,000, as an
estimate at present, but the managers
of all the companies say the figures
are liable to correction any time dur-
ing the next week.

Some of the companies which have
head offices in Montreal will lose much
more heavily. The North British and
Mercantile had \$400,000 of insurance
in the burned district, but this was re-
duced by reinsurance to \$220,000.

GEN OFF EASILY.
New York, April 28.—An American fire
insurance company will, it is believ-
ed, suffer little from the Ottawa fire.
The Aetna of Hartford, Phoenix of
Brooklyn, Phoenix of Hartford, Con-
necticut Fire, Queen of America, and
The Insurance Company of Northern
America, do business in Canada, but of
these one or two are said to confine
their operations to Montreal risks ex-
clusively.

Foreign companies will have to pay
most of the claims, but as the business
is controlled by their Canadian branch-
es, little is known of the New York
offices about the actual amount at risk
in the Hull territory. Coming at the
time when the loss records in the fire
district are being compiled, it is be-
lieved, have a depressing effect upon
underwriting interests.

MARRIED IN BROOKLYN.
A notable home wedding on Prospect
heights, Brooklyn, has been one of
the most interesting events of the
Easter season. The marriage of Miss
Katie Reed Garrett, formerly of Chat-
ham, Ont., daughter of Mrs. Henry
John Garrett, to George Walter Fer-
riss, took place Wednesday evening,
the 23rd of April, at the home of the
bride's parents, No. 735 Carroll St.

The home was beautifully decorated
with palms, azaleas, pink roses, and
the ceremony was performed by the
Rev. Dr. G. F. Reed, pastor of the Church
of St. John, performed the ceremony. Only the im-
mediate relatives and a limited num-
ber of friends were bidden to the house.
There were no ushers, or flower girls,
or ribbon girls. Miss Garrett was
given away by her brother, Benjamin
J. Garrett, of Vancouver, who had
come on from the Pacific coast to at-
tend his sister's wedding. The bride
was attired in a gown of white silk,
trimmed with point applique lace, and
a real lace veil fastened with a dia-
mond star, the gift of the bridegroom.

Her bouquet was of white bride roses.
Mrs. Wm. Eberts, of Detroit, the
bride's sister, was matron of honor,
wearing a gown of white organdie
over white silk and carried a bou-
quet of pink roses. Her ornaments
were pearls and diamonds. Herbert
M. Scott, of Bay Ridge, was best man.
A reception and dance followed the
ceremony. After the wedding trip to
Washington Mr. and Mrs. Ferriss will
make their home in Brooklyn.

Wedding presents, including silver,
glass, clocks, bronzes and books, were
exquisite.

MUCH WHEAT DESTROYED.
W. H. Taylor, who is now able to be
seen at the office every day, says
that there are lots of complaints com-
ing from Harwich and Raleigh farm-
ers in regard to wheat. They say that
the Russian fly must have worked in
last fall. The young shoots looked
well when it came out from under the
ice, but now it has withered up, and
many farmers in these two townships
are plowing up their fall wheat.

Little Boys
Big Values

When we were little, things had to be
made over for us,—and how we did hate the
things we were asked to wear out. Now the
best manufacturers give special attention to the
wants of the little fellow,—there are factories
that give all their energy and put their best
skill into the juvenile.

Come ready to find fault and see how
well we have done; how little you can find to
criticise; how much there is to choose from;
how far your dollar will go, and how much
better and worry we have managed to save
you, tho' we have had a deal ourselves to get
such good but small clothes together.
