Leading Business Man of Welland Gives His Experience With The Great Canadian Kidney Remedy.

Great Canadian Kidney Remedy.

Welland, Ont., Dec. 18.—(Special).

—There is no better known or more highly respected man in Welland than Mr. J. J. Yokom. Born and brought up in the neighboring township of Crowland, by his own industry and sterling homesty he has grown to be one of Welland's leading merchants. Consequently when Mr. Yokom comes out with a statement that he was cured of a serious illness by Dodd's Kidney Pills, everybody knows it must be so.

"For a year or more I had Kidney Trouble in all its worst symptoms," says Mr. Yokom. "My head was bad, I had no appetite and I lost weight fast. At times I was entirely incapacitated. I doctored with a physician of vast experience but got no good results.

CATARRH 'FREEDOM OR SLAVERY'

Stirring Preamble of Russian Revolutionaries' Call.

Army Especially Appealed To: "No Power Can Stand Against the People and the Army United"-Work man Make Significant Threats-In flammatory Circulars Widely Distri buted-No Prayers For Emperor.

Petersburg, Dec. 22.—Papers which are being distributed by thous ands to the workmen are filled with the most inflammatory appeals, and ating the people to an armed rebellion.

Many of the articles are especially directed to the army, which is implored, not to shed the blood of the nation.

One writer addressing the soldiers

said:
"Join us. Rise with us. No power can stand against the people and the army united."

The strike calls, in addition to mak-

ing the regular demands for a con-stituent assembly, universal suffrage to the abolition of martial law, immunity of the person and the other features of the proletariats' program, insists on the release of the imprisoned members of the Workmen's Council, the discontinuation of political suits, acquiescence with the petitions of the army and navy and of the railroad and postal telegraph employes for an increase of pay, the transfer of the land to the people, an eight-hour day and the abolltion of all restrictions regarding na tionalities and religion.

Freedom or Slavery.
The preamble reads:
"Citizens, freedom or slavery? Is Russia to be governed by the peopl or robbed by a band of thieves? Le us stop industry, commerce, and com-munications throughout the country and with one united effort overthrow the last vestige of autocracy. To the whip, sword, and machine gun let us oppose the revolutionary bayonet. Fin ncial ruin threatens to engulf Government. One more blow and the vile regime will be ended."

No Prayers For Czar.

It is significant that the workmen in the mills and factories have for more than a week been presenting demand: that the priests discontinue the usual prayers for the Emperor, with the al-ternative of being boycotted if they did not cease doing so.

The railroad strike began at the St Nicholas station at noon, but the Baltic roads were still working at that hour. The employes of the Putlioff Iron Works to the number of about 12,000, have struck.

Revolt Spreads.

The Town of Tukum has been re-taken from the insurgents by Russian

Advices from Ryeszhitza, in the Gov ernment of Vitebsk, announced that a rising has occurred in that vicinity similar to the insurrection in Livonia.

The report that Kharkoff is in the hands of the revolutionists is confirmed. Two hundred and fifty men of the Staroblelsk and Lebdinsk Regiments have joined the revolutionists, and their comrades flatly refuse to fire on them. At Nikolavieff the revolted regiments

have been captured. Two hundred and fifty prisoners were sent to Otchakoff fortress. The capture of the mutineers was effected by Gen. Stupin, who, on the arrival of reinforcements from Odessa, unexpectedly attacked the bar-

racks where the mutineers had assembled. The latter soon surrendered.
Thousands Obey Strike Call.
Moscow, Dec. 22.—Twelve thousand persons are holding a meeting in the Aquarium. Five thousand factory hands are idle. The troops are confined to their barracks and every pos sible military preparation for eventu-alities has been made.

At St. Petersburg.

St. Petersburg, Dec. 22.—The streets are filled with troops, especially those in the industrial sections. The rail-road stations are in possession of the military. Wholesale arrests of the leaders of the workmen were made last night.

Moscow is already cut off from St. Petersburg and with the provinces generally there is no communication.

The Lithuanian insurrection was extended into Vitebsk. At Kokuhusen the chief of police and his assistants were tried by a revolutionary tribunal and executed.

A 12-Hour Battle.

It turns out that Tukum, in Cour-land, only surrendered after a severe fight which lasted 12 hours.
The latest information from Kharkoff says that 10,000 revolutionists are
under arms, and that troops are being

oncentrated to recapture the city.

Thousands Go Out.

In the manufacturing districts beyond the Warsaw and Narva gates in the Schussenberg district and in the sections on both sides of the Neva, the sections on both sides of the Neva, the workmen generally obeyed the summons to strike and promptly at 12 o'clock thousands of them emerged to the streets.

Czar Refuses Suffrage.

Czar Refuses Suffrage.

London, Dec. 22.—The correspondent of The Dally Telegraph at St. Petersburg says that a majority of those present at the council held at the Tsarskoe-Selo voted for the granting of a system of universal suffrage. The Emperor, however, after listening to all the arguments deliberately and decisively refused to abide by the decision of the majority and declared against universal suffrage.

An Insurgent Rumer.

St. Petersburg, Dec. 22.—A rumor is in circulation here that the insurgents in Courland have seized Windau, Friendrich, Staat, Pratzenberg, Holdingen and other places, and that a popular tribunal at Kopenhousak has executed several officials.

40 Soddiers Killed.

Riga, Livonia, Dec. 22.—The Talsen Wednesday, revolutionary presants entrenched themselves in their houses, from the windows of which they fired on the patrolling soddiers. It is estimated that 40 infantirymen and cavalrymen were killed or wounded.

The true Cause and the true Cure.

How and why "Fruit-a-tives" completely eradicate disease from the system.

Catarrh means inflammation. Ordinary catarrh is inflam-mation of the nose cavity opening into the throat. This cavity receives all the air going to and from the lungs. Food and drink passes through it to the stomach. And the prime cause of catarrh is indigestion.

Because indigestion means an irritated stomach. This irritation spreads to the throat and Belching gas keeps up the inflammation. The blood is impure and badly nourished. And nine times in ten, there is Constipation and poor skin action.

The only way to cure Catarrh is to cure the cause of catarrh. Digestion must be improved - inflammation in stomach soothed-blood purified-and the liver strengthened so it will give up enough bile to make the bowels move regularly every day.

daily. A detachment of Cossacks has attacked the barracks at wherein 900 mutineers were confined wherein 900 muthners were commed, and set fire to the building. It is reported that all the imprisoned men were reasted to death. Rioting on the streets here is continued. In one street drunken Cossacks set fire to a block of houses and massacred 120 of the residents as they attempted to escape. Numbers of people are killed daily on

the streets. Affects Canadian Trade.
