C. H. BORDEN WOLFVILLE.

Opera House, Wolfville.

Two great tenors, two basses, two sopranos, two contraltos, two mezzo-sopranos, and a wonderful baritone are the personnel of the second annual Grand Opera Festivals through the New England States and Canada. The festival visits Wolfville on Friday evening, Aug. 29th.

This aggregation of stars,—for the minor members of the organization are not included in the count,—is considerably larger than that brought here the first season. The management has brought the pick of the artists from the Boston Opera Company prior to the opening of the regular season, and two members of the company have been leading lights in the Metropolitan Opera Company, of New York, M. Umberto Sacchetti and M. Heatie Gregory.

But the great advantage of having two of every type of voice is to avoid overworking the artists. When some of them are singing in the opera, the others assume the responsibility for the concert part of the program, which was everywhere voted such a delightful part of last season's Festival.

The tenors are M. Giovanni, who was heard last year, and M. Umberto Sacchetti, who is Caruso's only rival in total quality of voice. The primo basses are M. Heatie Gregory and M. Edgar Littleton, both gentlemen of reputation, and the primo baritone is M. Pietro Vittoni, iste star of Teatro La Scala, in Milan.

The primo donna sopranos are Mme. Maria de Gabbi, dramatic, who was heard last year, and Miss Gertrude Hutchison, coloratura, who will sing the beautiful and difficult role of Violetta in 'La Traviata'.

viata. Mile. Frances Woolwine, prima donna contralto, is a truly a wonderful artist, while Mile. Ernestine Gauthier is so well known here as to need no comment. Altogether, the aggregation is a better one than was heard here last season.

Evangeline Beach.

It is hard to beat the excellent weather and bathing which we have enjoyed during the past week. The high winds have stirred up the water and given us a good surf which we rarely get. Our tourist friends are increasing in number and the cottages are still pretty well occupied.

We notice the following names on the hotel register which however does not give the full name:

Mrs. Elliot Smith and family, Wolfville; Mr. and Mrs. Frank Walker, Hillston; Miss Janet Walker, Canning; Miss H. Andrews, Acook; Mr. Josephine Marshall, Brookline, Mass.; Florence K. Kirriage, Douchette, Mass.; Mr. and Mrs. L. A. Parker, Berwick, N. S.; W. K. Gibson, Windsor; F. C. Manning, Windsor, N. B.; Mr. and Mrs. Gilbert Peck, Wolfville, Mass.; Miss Carrie Hayes, Wolfville; Misses Gladys and Hilda Vaughn, who have been in 'Widdoway' for the past month, returned home to Wolfville on Tuesday.

Prof. and Mrs. Kirkpatrick and family, with Mrs. Lewis and family, who have been in 'Mimosa Lodge' since the first of the season, left us on Wednesday.

Mr. Percy Benjamin and family, of Wolfville, are on the way to 'Idle-while'.

D. R. Munro and family left for their home in Wolfville after occupying 'Driftwood' for a month.

Wolfville Tennis Players.

The Nova Scotia Lawn Tennis Championships were held last week at the South End Courts, Halifax. All the events were keenly contested, and much good tennis was witnessed. Those present from the Wolfville club were Misses Edith Tufts and Marguerite De Witt, and Messrs. Robb Tufts and Auguste Chute. Miss Tufts had the misfortune to have as her first and only opponent Miss Silver, of the South End Club, Halifax, one of the best players in the province. Miss Silver won in two sets, 6-1, 6-1. Miss DeWitt was also defeated on the first day of the tournament by Miss H. Jones, of the South End Club, score 3-6, 9-7, 6-4. In the ladies' doubles Miss Tufts and Miss DeWitt were defeated by Miss Boak and Miss DeWitt, of Bedford, 6-2, 6-4.

The gentlemen were more successful. On Monday, the first day of the tournament, Mr. Tufts defeated G. D. Campbell, of the South End Club, in one of the most interesting and best played matches of the day. The score was 6-4, 6-2. On Thursday Tufts continued the good work and defeated H. Bauld, South End, 6-3, 6-3. A. Chute, 6-4, 6-0, and Dr. Garfield Macdonald, of New Glasgow, 4-6, 6-4, 6-3. This last event was one of the biggest surprises of the tournament, as Dr. Macdonald is a veteran player and was the favorite for the championship. It was one of the hardest fought matches seen in Halifax for some seasons, and Mr. Tufts is to be congratulated on his brilliant playing. This event placed Tufts in the semi-finals, but he was defeated the following day by J. Le Moine, of the Lorne Club, Halifax, 6-2, 8-6.

On Monday Chute defeated N. E. McKay, Jr., of the Wanderers' Club, Halifax, 5-7, 6-0, 6-3. On Thursday he was defeated by Tufts, 6-4, 6-0. In the men's doubles Tufts and Chute defeated W. M. McDonald and Prof. Bronson, of the Wagswath Club, Halifax, 6-2, 7-5, on Tuesday. The following day they defeated Bain and Dawson, of Bridgewater, 4-6, 6-3, 8-6. On Friday they nearly sprang a surprise on Macdonald and Jackson, of New Glasgow.

The New Glasgow pair started off with a rush and playing a brilliant net game, took the first set, 6-3. With the score 4-1 in their favor in the second set, Macdonald and Jackson grew somewhat careless and relaxed a bit. The Wolfville pair had found their second wind by this time, and also had perfected a dangerous counter attack to the smashing volleys of their opponents. They lobbed everything high on to the back line and pulled up to 5-4. Macdonald and Jackson could not follow their play for a time and also found difficulty in getting back their speed with the result that the young Wolfville pair pulled out the set, 7-5. They also took the first three games of the second set with a rush and it looked as if the former champions were going down to defeat, but just when the majority of the spectators looked for them going up in the air completely, they found themselves again. Macdonald resumed his smashing, and once the Wolfville men's winning streak was stopped there was nothing new to the set. For a time, however, it looked as if Tufts and Chute were going into the finals for they were playing a cool, heady game which was badly puzzling their opponents.

In the mixed doubles Mr. Tufts and Miss Tufts were defeated by A. C. Wiswell and Miss M. Silver, of the South End Club, 4-6, 6-3, 6-0. Miss DeWitt and Mr. Chute also lost to Miss B. Silver and E. Foster of the South End Club, 6-3, 6-3.

Arriving this week, 1 car of shingles, cleats, and cleats, extras, etc. No. 1, and clear whites. Get our prices. R. E. HARRIS & SONS.

The Rule of the Road.

Motorists have asked us to publish the provision of the Motor Act in regard to the duty of motorists when meeting or overtaking other vehicles. We were inclined to think it unnecessary as the provisions of the act are simply the old 'rule of the road,' with which we thought everyone was familiar until we had conversed with a townsman who has driven horses for over 20 years and with a farmer who has driven horses for twice that long. The townsman was positive that in overtaking another team you should pass to the left, and the farmer said that he passed on whichever side offered the best opening. With such ignorance abroad in the land, we deem it advisable to publish the Motor Act section on meeting and passing teams. It is as follows:

4. (1) Whenever a person operating a motor vehicle shall meet on a public highway any person riding or driving a horse or horses or other draft animals, or any other vehicle, the person so operating such motor vehicle shall reasonably turn the same to the left of the centre of such highway, so as to pass without interference. Any such person so operating a motor vehicle shall on overtaking any such horse, draft animal or other vehicle pass on the right side thereof, and the rider or driver of such horse, draft animal or other vehicle shall, as soon as practicable, turn to the left, so as to allow free passage on the right. Any such person so operating a motor vehicle shall at the intersection of public highways, keep to the left of the intersection of the centres of such highways, when turning to the left, and pass to the left of such intersection when turning to the right. Nothing in this section, however, shall be construed as limiting the meaning and effect of the provisions of section 3 of this Act.

St. Andrew's Church Burned.

Shortly after THE ACADIAN went to press on Thursday evening of last week St. Andrew's Presbyterian church was discovered to be on fire. An alarm was at once rung and the firemen quickly responded, but such headway had been made by the fire that little could be done to prevent the doomed building and its contents from being totally destroyed. The fire was most spectacular one and was witnessed by a large number of people. There was no wind and the firemen were thus able to save the masses and other near by buildings which were in great danger.

The loss is a heavy one for the congregation, there being only two thousand dollars insurance. The church was recently put in thorough condition, was well furnished and contained a new organ installed only a few years ago at a cost of \$1,400. This was insured for nine hundred by strenuous efforts the congregation had recently paid all the debt against their property and were looking forward to smooth sailing. They will now be called upon to undertake a heavy task in rebuilding.

The cause of the fire is unknown and can only be attributed to the fact that the organ had been undergoing some repairs during the day. Mr. Claude, of Windsor, who had the work in charge, lost a lot of valuable tools in the fire.

The church was built in 1868 by Rev. Robert Somerville, now of New York, who was the first minister. It was erected on the site on Prospect street now occupied by the residence of Mr. I. B. Oakes, and was moved to its recent location some years ago during the pastorate of the late Rev. R. D. Ross.

The congregation worshipped last Sunday at the Opera House, which was kindly placed at their disposal by Mr. Black, and will continue their services there. The other churches of the town also kindly offer the use of their buildings, which offers and the expressions of sympathy were much appreciated by the congregation.

PUBLIC SCHOOLS.

Notice is hereby given that the different departments of the Wolfville Public School will re-open on Tuesday, Sept. 2nd.

For the Man or Woman Who Saves

Our new Partial Payment Plan satisfactorily solves the investment problem for the man or woman unable to purchase securities on the ordinary plan by reason of not having sufficient savings accumulated.

Whatver initial deposit and monthly payments you can conveniently make will determine the number of bonds or stock shares you can purchase. For instance, a \$100 bond or share of stock can be bought on this plan \$20 down and \$10 monthly—and longer purchases proportionately.

Good interest, accrued and stock dividends declared will be credited to your payments as made. Therefore your savings on this plan will produce a much larger income than in any other way. Our booklet explains the plan thoroughly. Do you wish us to send it to you?
