

The Farmer of The Future

The farmer of the future must be a mechanic rather than a day laborer, remarks D.D. Gray, Superintendent of the Central Experimental Farm at Ottawa in the December number of the Agricultural Gazette of Canada. This of course must not be taken in a literal sense, but rather as suggesting that the future agriculturist must combine with a multitude of other things he requires to know a greater knowledge of mechanics than he has formerly had. Accepting this suggestion as his text, Mr. Gray tells of records that have been kept at the Central Farm on the cost of operating three makes of tractors. The cost of operating the smaller tractor is shown to be greater

than the cost of operating the larger, that is in regard to horse power. The cost of discing, with the smaller is shown to be less due to greater speed possible than with the greater. The cost of ploughing with the smaller is more than with the larger. The lighter machine burned gasoline at a cost of 45 cents per gallon and the heavier machine, kerosene 28 1-2 cents per gallon. Cylinder oil cost 85 cents per gallon.

GIRLS! HAVE THICK, SOFT, HEAVY HAIR

A 35-cent bottle of "Danderine" will not only rid your scalp of destructive dandruff and stop falling hair, but immediately your hair seems twice as abundant and so wondrous glossy. Let "Danderine" save your hair. Have lots of long, heavy hair, radiant with life and beauty.

'Chaps'-Read This

Once you know how "chaps" are caused, you will appreciate why your skin needs Zam-Buk. The keen frosty winds of winter and early spring dry up the skin—make it hard, brittle and without elasticity. Thus the outer tissues break open into smarting cracks and painful sores. That's how the trouble starts. In cracked hands, chills, frost-bite, eczema and other obstinate skin troubles, use nothing but Zam-Buk. This unique healing balm, derived from a blending of rich herbal essences supplies the skin's deficiency of natural oils. If your trouble is on the hands, use Zam-Buk at night and slip on a pair of old gloves with Zam-Buk smeared inside. This precious balm will soothe the way pain, inflammation and irritation, and grow new soft flexible skin. Redness, roughness, smarting or soreness is readily healed, through Zam-Buk's refined healing ingredients being absorbed into the underlying tissues. Zam-Buk is powerfully antiseptic. The germ of skin trouble simply can't exist wherever it penetrates. Keep Zam-Buk always at hand for healing with cuts, burns, scalds, scalp sores, nicks, abscesses, piles, eczema, poisoned wounds, salt rheum and all skin sores and injuries. All dealers 50c. box, 3 for \$1.25. For TRIAL SAMPLE send 1c. stamp to Zam-Buk Co., Toronto.

Dominion Department of Agriculture

The report of the Minister of Agriculture at Ottawa, from the year ending March 31st, 1920, makes reference to a conference of representatives of Federal and Provincial Departments at which an agreement was reached which will, to a large extent, eliminate overlapping and allow for close co-operation in the varieties of work carried on. Production, it was agreed, is to be carried on through provincial activities, while marketing and experimental work are to be cared for by the Dominion Department, except where special arrangements to the contrary are deemed wise. The report of the Minister covers, in addition to the work of the Department carried on through the year by the various Branches—Dairy and Cold Storage, Seed, Live Stock, Health of Animals, Fruit, Entomological Publications, International Institute, and Experimental Farms. Among the new activities reported are the record of performance for poultry and special relief policy of the Live Stock Branch, with relation to the supplying of feed to unfortunate districts in the Prairie Provinces. The Report is distributed by the Publications Branch, which is shown to have sent out, during the year, two and a half million copies of publications.

Stormy Weather Hard On Baby

The stormy, blustering weather which we have during February and March is extremely hard on children. Conditions make it necessary for the mother to keep them in the house. They are often confined to overheated, badly ventilated rooms and catch colds which rack their whole system. To guard against this a box of Baby's Own Tablets should be kept in the house and an occasional dose given the baby to keep his stomach and bowels working regularly. This will not fail to break up colds and keep the health of the baby in good condition till the brighter days come along. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams medicine Co., Brockville, Ont.

Official Ruling On VenO Case

The official ruling of the Amateur Athletic Union of Canada in the case of Stanley VenO and the Chatham Club is as follows:

MAR TIME PROVINCES
Branch of the
AMATEUR ATHLETIC UNION
of Canada.

St. John, N. B.
Jan. 31 1921

Mr. Clare de Wade,
Sec'y, N. P. Hockey League.

Dear Sir,—With reference to the standing of one Stanley VenO, of Chatham, who played in last Wednesday night's game with Chatham against Fredericton, would say that, under our ruling, this man is the property of the Moncton team of the Eastern League and was therefore not eligible to compete with the Chatham team.

Kindly take note of this.
Yours very truly,
A. W. COVEY,
Pres. M. P. B. A. A. U. of C.

Help Edison

Take some Mood Change Charts home and make this experiment!

LET'S imagine you have just come home from shopping. You are tired and nervous. You step to the New Edison and put on an Edison RE-CREATION. Gradually the music soothes you. You forget fatigue and your "nerves" disappear. You feel refreshed and light-hearted.

Mr. Edison in his present great research is studying into the effects of music on the minds and moods of men.

Will you fill out a Mood Change Chart, and do your bit for Mr. Edison's research?

Make the experiment in your own home. Come in. Let us give you a supply of Mood Change Charts. Have your family and your friends fill them out. They will find it more fun than Ouija.

If you don't own a New Edison, fill out a Chart in our store! Better yet, we will lend you a New Edison and a program of RE-CREATIONS so that you can give a Mood Change Party in your own home.
