

YOUNG  
SUFFERED

restored to Health By  
Pinkham's Vegetable  
Compound—Told By  
her Mother.

"I cannot praise  
Pinkham's Vegetable Com-  
pound enough for what  
it has done for my  
daughter. She was  
15 years of age, very  
sickly and pale and she  
had to stay home from  
school most of the time.  
She suffered agonies  
from backache and  
dizziness and was with-  
out appetite. For three  
months she was under  
the doctor's care and  
got no better, always  
complaining about her  
back and side aching so  
I didn't know what to  
do. I read in the papers  
about your wonderful  
medicine so I made up  
my mind to try it. She  
has taken five bottles  
of Pinkham's Vegetable  
Compound and now she  
is as healthy as I have  
ever seen her. She has  
lost all her backache  
and side aching. She  
feels much better.  
Pinkham's Vegetable  
Compound is good to  
all mothers and  
daughters.

# DOMINION TIRES

## Royal Cord

### Construction

**T**ENS OF THOUSANDS of  
slender cords in many com-  
pact layers, each cord and  
each layer laid parallel one to another, and  
each embedded in pure rubber so they cannot  
touch—each separate cord and layer  
bringing its individual strength to the  
tremendous sum total of power and resist-  
ance—so is built the tire struc-  
ture of the Dominion Royal  
Cord Tire. The key principle  
is the slender cord and the  
many layers or plies; thus  
the enormous strength to  
the structure and the  
heavier side walls make  
practical immunity  
from blow-out, punc-  
ture and the bruise.

### Why "Royal Cord"?

**BECAUSE**—"Royal Cords" make possible Lower Gas Consumption, more miles per gallon than the same car can get on fabric tires. This saving alone pays the difference in cost, within the life of an ordinary set of tires.

**BECAUSE**—"Royal Cords" afford More Mileage than is possible from fabric tires. The carcass of the "Royal Cord," as well as the tread, absorbs the road shocks, and the carcass, in absorbing these road shocks, relieves the tread of a portion of its strain, giving longer life to the tread than is possible in fabric tires.

**BECAUSE**—"Royal Cords" are Non-Skid, and are so designed to be equally desirable for all four wheels, and their construction reduces side-slipping without impairing the ease in steering.

**BECAUSE**—"Royal Cords" eliminate Interior Friction. There's no chance for friction in them.

In "Royal Cords" each individual cord is coated with rubber, which prevents the parallel cords from rubbing each other.

And a layer of live, stretchable rubber separates each of the transverse layers of cords, preventing any friction there. No internal friction means Longer Life to the Tire.

**BECAUSE**—Lower Air Pressure is possible, and this means more comfort and easier riding.

Dominion Tires,  
Inner Tubes and  
Accessories are  
distributed  
through  
Dominion Rubber  
System Branches  
and sold  
by the  
Best Dealers  
throughout  
Canada.

**Dominion Tire Accessories**  
include everything you need  
to close a hole, plug up a  
bruise, or heal a cut in  
your tire. These helps will  
make your tires last longer.  
Carry a supply in your car.

**Dominion Inner Tubes**  
fit all Dominion Tires and  
ensure perfectly balanced  
tires. To add comfort to  
your car and mileage to your  
tires, always insist on hav-  
ing Dominion Inner Tubes.
