O Mary, Star of Ocean.

O Mary, star of ocean, Dear mother of the Lord, Sweet nurse of our salvation, Thy tender aid afford. O fountain sealed and holy O shining gate of life, Behold the power opposing.

And help us in the strife. O Mary, beauteous garden, Enclosed by God on high; Sweet way of peace and refug To whom weak sinners fly; Behold us in our sorrow, In darkness and in tears,

Bring thou the hope to heal And drive away all fears. O Mary, sweet defender,

Thou know'st our need below Thou see'st the gloon around us The danger of the foe; O, shine upon our pathway, And by thy powerful prayer, Unite our hearts with Jesus, To dwell forever there,

Miss Mary Prouse, R.R. No. 1, Cedardale, Ont., writes:—"I had the Influenza in November last, and it left me with a terrible cough. I did not attend to it until it got so severe people warned me it was time to see about it. I went to the doctor and got some medicine. He told me it was a bad attack of bronchitis. I could not sleep, and would have to sit up nearly all night, it was so difficult for me to get my breath. The doctor's medicine did not seem to be helping me the least bit. One of our neighbors came in one day, and told me about Dr. Wood's Norway Pine Syrup. I tried it and took two bottles. No person could believe how it helped me. I have recommended it to different people since, for I believe I have reasons for doing so.

Dr. Wood's Norway Pine Syrup has been on the market for the past 30 years, and stands out by itself as a remedy for all coughs and colds. Be sure and get the real "Dr. Wood's" when you ask for it. Announcement

For the information of our many patrons, in both town and country, we deem it necessary to announce that the Coal Business, successfully car ried on in the past by the Itae Mr. Charles Lyons, will be continued by the Estate, under the old firm name of C. Lyons & Co.

By maintaining a high standard of service and by courteous and honest treatment of the public, this firm has, for aperiod of more than a quarter of a century, enjoyed a large and ever-increasing pa. tronage; and in announcing our intention of "earrying on," we desire, most earnestly, to give expression to our appreciation thereof. We are deeply grateful to the firm's many patrons for their constant manifestation of confidence in it in the past, and we assure them that if they favor us with a similar evidence of their good-will in future there shall be no economy of effort on our part to make our intercourse both pleasant and profitable to them.

As we possess almost unlimited facilities for supplying the coal trade, and as we are desirous of extending our already large business, we respectfully invite the patronage of new customers; and if we succeeed in thus increasing our present connection, we guarantee that we shall be indefatigable in our endeavor to justify the confidence of our new friends.

We again thank our patrons for their past generous patronage, and respecifully solicit a renewal
