THE KEY TO SAVING'S

This Sale, always a significant event in the Store year, takes added
importance this season, because of the unsettled conditions and the
steady increase in prices.

Many offerings in this Sale, having been bought before the rise, are marked at less than
the present wholesale cost.

BUY HEAVILY! BUY FOR FUTURE NEEDS, for it is very doubtful if goods of
equal quality can be sold for such low prices for a long time to come.

Furs and Fur Coats

Our entire stock of Furs and Fur Coats
is offered at the great reduction of 20 p.c.
off Regular Prices. We want to clear out
all our Fur Garments. We would rather
get rid of them this way than to carry
them over to another season. Every lover
of Economy should benefit by this offer.

CUSTOM TAILORING

Save \$4.00 to \$5.00 on your
Spring Suit

Every February during the Annual Sale we re-
duce prices on Custom Made Clothing for men.
We do it to keep our tailors always employed, as
the business generally has a tendency to fall off
at this time of the year.

We want to emphasize this. The cut in price
doesn't mean "a cut in the quality of the tailor-
ing, nor a cut in the quality of the fabric."
By selecting your suit now you save money
and insure getting it when you want it.
