WELCH'S GRAPE JUICE

Even if the weather is cold (neat) is the best drink. The nourishing qualities of the pure Concord Grape so enriches the blood that it is of great assistance in warding off colds and other complaints due to the changeable weather. Ask your Doctor if this is not so. The above statement applies to WELCH'S GRAPE JUICE which is pure unadulterated Grape Juice and not to brands of Grape Juice which are mixed with heaven knows what to make them sell cheaper.
