**PRICE OF FLOUR IN WINNIPEG.**  
WINNIPEG, Sept. 24.  
The millers' committee representing the millers industry in Canada at a meeting to-day confirmed the schedule of prices for this year's flour advancing the price fifty cents a barrel. The new price will be \$10.80 a barrel.

**ECONOMIC NEGOTIATIONS RESUMED.**  
AMSTERDAM, Sept. 25.  
It is semi-officially announced that the Dutch government has decided to resume economic negotiations with the Entente governments. German papers have seized upon this announcement as an occasion to warn the Dutch that they are in danger of losing the rest of their merchant tonnage to the Entente.

**AIRMEN ACTIVE.**  
WITH THE AMERICAN ARMY IN LORRAINE, Sept. 25. (By the A.P.)  
Airmen of both armies were active early to-day and increased artillery action was noted along the lines of the old St. Mihiel sector. Bright skies have replaced the clouds and rains of recent days, and aerial observers were sent out by both the Americans and the Germans.

**VON HERTLING WHINING.**  
AMSTERDAM, Sept. 25.  
Count Von Hertling, the German Imperial Chancellor, in addressing the Reichstag main committee complained of the lack of attention his acquiescence in the four points laid down by President Wilson as peace essentials had met from the American executive. The Chancellor asserted that on Feb. 22 of this year he declared in the Reichstag his agreement in principle with the possibility of discussing general peace on the basis of four points of President Wilson's message of February 2nd, but that President Wilson neither at that time nor since had taken any notice of the Chancellor's declaration. Count Von Hertling continued by declaring that he favored the formation of a league of nations, the promotion of universal successive disarmament in equal proportions, the establishments of obligatory courts of arbitration, the freedom of the seas and the protection of small nations.

**REPORTED INTERVIEW WITH FOCH.**  
LONDON, Sept. 25.  
Marshal Foch, commander in chief of the Allied armies on the Western front who dislikes interviews and rarely grants one, received a few newspaper men at his headquarters on Tuesday. Among these received was the correspondent of the Telegraph, who thus records the Marshal's brief utterances, made in an ejaculatory manner with the use of hardly any verbs. "The British army is better than ever. It fights better than ever. All of its losses have been made good and it is a more splendid army than it was before. The Americans are splendid and are wonderfully gallant in the field. Ten thousand fresh Americans arrive in France every day. The French army is the same good old army that it was in 1914. No more is to be said." In discussing the general situation, the Marshal said, "The enemy is shaken up and shaken down, but is still holding out. You must not think that we shall get to the Rhine immediately. We have passed over the crest and are now going down hill. If we gather impetus as we go, like a rolling ball, so much the better." With a few cordial words the Marshal then dismissed his interviewees and resumed his work on his maps.

## What About These Coal Shares?

The opportunity is a good one. \$25,000.00 worth of stock has been placed on the market, and to the purchaser of each one of these shares three extra shares are given free of cost. This makes the purchaser of each one dollar share the owner of four fully paid up shares in the company. The company also guarantees that none of the above shares will be subject to any further call. The opportunity to invest is open to everybody. Get busy before it is too late; no bonus shares will be given after the present allotment is disposed of. You can't lose. Invest to-day. For every single dollar you invest in this proposition you get four 1 dollar shares in return.

## Household Notes.

Don't neglect the lentils. They afford the most concentrated form of vegetable diet. If the flour is warmed before sponging bread, the process will be much quicker. Nasturtiums or a small piece of horseradish in each jar of pickles prevents mould.
