Remarkable Values in Silk & Cotton Goods

Latest quotations show a steady advance in nearly all Dry Goods, and especially is this advance noticeable in such goods as Silks, Cottons and Mixed Fabrics; and latest advices point to still higher prices. We have on hand a large stock of Silk and Cotton Fabrics which were purchased during the "Slump" in the markets, and we are therefore enabled to offer them at prices much below present values. A careful perusal of these items offered below may be of benefit to you.
