## Greek Victory Depresses Turks

Preparations to Carry on Being Made -- Plain Statement by Viscount French -- Allies Directing Grecian Forces-- American Flour Prices Decline Slightly -- The Navy on the Job Again.

### HERBS DEPRESSED BY NATIONALIST DEFEAT.

CONSTANTINOPLE, June 27. Depression prevails in Turkish circles over the news that the Nationalists fled in disorder in the first attack against them. Turkish newspapers do not conceal their fear that the situation is becoming grave owing to reported heavy losses of the Nationalist bands in the Ismid region where they are retiring. Ali Fuad Pasha, former commander of the twentieth Turkish Army Corps and one of the Nationalist commanders, is abandoning Kandra, near the Black Sea coast, north of Ismid. There is great rejoicing among the Greeks in Constantinople over the advance of the Greek army west of Alashehr, a walled town in the Vialyet of Aidin, the ancient name of which was Philadelphia. The Greeks report the Turkish losses in the capture of Alashehr as eight thousand men killed, wounded or made prisoners. All Greeks of military age in the city are being recruited to reinforce the army. Recruits are marching through the streets shouting and singing. Greek officials here say that the troops of Kemal Pasha are undisciplined and are poorly equipped with artillery to offer any resistance against the Greeks.

### ALLIES MASTERS OF THE SITUATION.

PARIS, June 27. The Allied Nations are masters of the situation in the Near East as else-

### DRESSMAKER SAVED FROM OPERATION

By Taking Lydia E. Pinkham's Vegetable Compound in Time.

Ithaca, N.Y.—“Three years ago I suffered from pains in my right side, so severe that I could not raise my feet from the floor. Pains would shoot down my limbs and through my back, and the doctor said I had an abscess. I was in bed two weeks with an icebag on my side and expected any day that I might have to go to a hospital for an operation. A friend came to see me and told me of your wonderful medicine—Lydia E. Pinkham's Vegetable Compound. I began taking it, and after taking six bottles I feel well and strong, do my own work and do dressmaking for others. I cannot speak too highly of your medicine and recommend it to others who suffer with female trouble. It is a Godsend to ailing women, and you may see my name at anytime.”—Mrs. PERMILLA HULSHOF, 215 E. Fall St., Ithaca, N.Y.

Women who suffer from any such ailments should not fail to try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound.

said, “It cannot be too clearly shown that the Government never will under any circumstances listen to any proposal either for the establishment of an Irish Republic or the coercion of Ulster. We desire above all things to give the country the utmost measure of political freedom sometimes against hope that a peaceable reconciliation will eventually be effected, but having said so much, I would be wanting in my duty if I did not repeat what I have said before that we are determined the Irish people shall enjoy the same protection as the people of other parts of the kingdom, and the Government will not hesitate to employ all the forces at its disposal to attain this.”

### A SHORT CAMPAIGN HOPED FOR.

ATHENS, June 27. Hope was expressed at the Greek general headquarters to-day that the campaign against the Turks would not exceed three weeks. It is recognized, however, that the Nationalists probably will take refuge in the mountains and carry on guerilla warfare indefinitely.

### BRITISH AND TURKS CLASH.

CONSTANTINOPLE, June 27. One thousand British troops disembarked at Mudanister, Sea of Marmora, to-day and occupied the town for four hours. They then evacuated. The Nationalists resisted and six Turks were killed, two British were wounded.

### BRITISH CRUISERS ESCORTING TRANSPORTS.

LONDON, June 27. According to Constantinople despatches to the Exchange Telegraph Company, British cruisers escorting transports have passed through the Dardanelles for Ismid.

The Aero Tennis Club began the season's sport this afternoon, when a very enjoyable time was spent by the members. Tea being served on the Court, which this year is situated at the rear of Brae Head. Last year, it will be remembered, through the courtesy of the Handley-Page Company, the Club had the use of part of the flying grounds. This year the option held by the H.-P. Co. on the land having expired, it fell back to its original holders, and is now doing its best to out-fly the High Cost of Living in the only practical way—that of producing more. We wonder if some of our readers will take the hint.

A number of men are now engaged at repairing the damage done to Harvey Street, at the foot of Kitchen's Hill, during the early Spring by the floods of water coming down from the higher levels with the melting of the snow. The condition of the street in that locality has been wretched for some time past, being almost unpassable for vehicles—especially in these days of motor cars.

A football match was played at Carbonear on Wednesday evening between a team from Hr. Grace and a Carbonear eleven, which resulted in a win for Hr. Grace, by two goals to none. We have a football team here that we are expecting big things from during the coming summer, as so far neither last year nor this year have they met defeat. We hear that a match has been arranged to take place at Bell Island with a team from there, on July 7th, the occasion of the C. B. S. Band excursion to the Iron Isle, which, by the way, promises to be one of the most enjoyable events of the season.
