**CAPT. JOB VINE, R.M.C.**  
 One of the oldest and best known Newfoundland Masters died Saturday in the person of Capt. Job Vine, M.C., who passed away at the residence of his son-in-law, Mr. J.P. Kelly, at St. John's. The late Capt. Vine was many years connected with the Cross Line and sailed as mate on the Libia, Florizel and Stephano, before that he was master of several sea-going vessels. During his later years he was an efficient and obliging customs official. Two daughters, Mrs. Blackader, and Mrs. J.P. Kelly, were left to mourn him. The funeral will take place this afternoon from the residence of Mr. Kelly, Southside. The Telegram extends its sympathy to the sorrowing relatives of the late Capt. Vine.

**"COKE" CASHILL GETS REAL SENY OFF.**  
 The strains of "For He's a Jolly Good Fellow" sung by nearly everybody at the pier, followed a. R. Bessie until she was out of earshot when the ship left on Saturday for the popular "Coke" Cashill to St. John's. Previous to the ship's departure, Capt. Jack Higgins and the members of the St. Bon's Hockey team and about forty other old boys of the college waited on their adopted schoolfellow and presented him with a large framed portrait of the team as a token of their appreciation of his services to them. A splendid dress case, an appreciation of the old boys matter. In a brief, characteristic speech, "Coke" expressed his thanks and told how sorry he was to leave. Cheers were then given with will for one of the best sports that ever came to Newfoundland.

**That Artificial Lake.**

Dear Sir,—In Saturday's issue of your esteemed paper I noticed a letter suggesting a small artificial lake in Bannerman Park for the use of the children who could not go to the beach during these hot summer months. This good idea originates, I understand, from a group of pensioners including some others who are hoping to also become pensioners. They are at the Park to enjoy that quietude and sociability which they feel due them after having "borne" the heat and "burden of the day." I am sure the City Council would advance the plea of shortage of funds if approached on this matter. However, a lake could easily be constructed at little cost if these gentlemen would go somewhat further and assume the scheme in a practical way by donating the proposed site, which I am sure they would be only too pleased to do under the supervision of the City Engineer. Besides earning the gratitude of the public for their timely suggestion they would thus also benefit themselves by the healthy exercise which would ensure them a long life in the enjoyment of their well earned leisure. With a little persuasion they could possibly be induced in addition to help along the scheme in another way. Some of the more enthusiastic members of the group might be persuaded to instruct the children how to sail their little boats explaining to them meanwhile the respective merits of the squarerigger and the head-sailer. In this way utility and pleasure would be happily blended and who knows but some future day may be able to trace the success of his success to the early lessons gleaned from some of the naval experts who met together in the days in Bannerman Park.

Yours truly,  
 GRANDPA

**St. Bon's Association.**

**OFFICERS ELECTED.**  
 A large gathering attended the adjourned annual meeting of the St. Bon's Old Boys' Association yesterday forenoon. Routine business being disposed of, the election of officers took place and resulted as follows:  
 President—W. R. Howley, K.C.  
 1st Vice-President—J. G. Higgins, B.A.  
 2nd Vice-President—Rev. J. Pippy.  
 Treasurer—P. K. Devine.  
 Secretary—T. Scanlan McGrath.  
 Sir Michael Cashin, who through press of other duties was obliged to resign from the Presidency, was tendered a vote of thanks for his work during the many years which he held the office. The annual Re-union and Breakfast will take place as usual on St. Bonaventure's Day, July 14th next.  
 Sir Michael Cashin tendered his resignation in the following letter to the Honorary President, which was read by the Secretary:  
 "Cambrol," Circular Road, St. John's, N.F., June 24, 1922.

Rev. Bro. J. B. Ryan,  
 Hon. President,  
 St. Bonaventure's Alumni Ass'n.,  
 St. Bonaventure's College.  
 Dear Bro. Ryan,  
 As I find myself unable to be present at to-morrow's meeting, I write now to reiterate my decision to withdraw from the Presidency of the Association, to which the members were good enough to nominate me again last Sunday.  
 In doing so, I wish, in the first place, to thank them all very gratefully for the tributes of confidence in me which this represented and to say how much I appreciate this, as well as all the other evidences of support and co-operation extended to me while I filled that position.  
 In the second place I desire to record the regret which I feel in withdrawing from the Presidency of the Association, a step which I am only taking because I am firmly convinced that it is in the best interests of its future welfare that new blood should be introduced into its executive and new men given an opportunity to show what they can do to promote the interests we all have at heart.  
 In the third place, I cannot allow the occasion to pass without tendering my sincere thanks to yourself, Brother Culhane and the community of Brothers at the College, for the uniform courtesy and kindness always accorded to my colleagues and myself, and to attest by this letter how much our labors were lightened by the enthusiastic assistance always given us by the Brothers.  
 Finally, I wish the new officers to be elected to-day a very successful term and would assure them that it will be a pleasure to me to do anything in my power to assist them in the objects they have in hand.  
 With all good wishes for the future of St. Bonaventure's Association,  
 Believe me,  
 Dear Sir,  
 Yours very sincerely,  
 M. P. CASHIN.

**To-Night's Extraordinary Movie Attraction**

**LOCAL FANS WILL LIKE "MADONNAS AND MEN."**  
 It has been said that the hardest audience to please in moving picture entertainment is a Newfoundland audience, and the Nickel management has exercised great discretion in the selection of that renowned photoplay triumph "Madonnas and Men," which will be shown to-night. It goes without saying that there will be crowded houses at each show. "Madonnas and Men" is considered the greatest picture since "Que Vadis." The picture opens in ancient Rome, and shows a beautiful Christian girl about to be thrown to the wild beasts to satisfy the unlawful entertainment of the Emperor. The cruel deed is however held up, while a thrilling story of the future is being told. This story takes the spectator to modern New York, with its gay night life, and sparkling cabarets. Finally the audience is again taken back to where the story opens, and witnesses most remarkable climax. No enthusiastic movie fan is going to miss this attraction to-night, at the city's most popular house of photoplays.
