The World Shall be Established.

MILLIONS NOW LIVING WILL NEVER DIE.

Shifting of Governments has been the history of the world; and much suffering has resulted from the thoughtless unconcern of Powers—Jealous, crafty, plotting for control of the world.

Professions of peace are now rampant, plans are afoot promising stability. Yet there comes to light a ceaseless, unending working to create weapons of destruction—aircraft, poison gas, cruisers, bombs, liquid fire.

Designs against neighbor nations, which are really plans of annihilation, lack the promise of stability. Yet the prophecies revealing present tendencies show that peace, permanent peace, will follow the confusion, distress and reeling perplexity of our world.
