

A Frenchman took a room in Paris on condition that the landlady would wake him up every morning at eight o'clock, and tell him the day of the week, the state of the weather, and under what form of government he lived.

BREAKFAST—EPPO'S COCOA.—GRAVEYEL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Eppe has provided a breakfast table with a delicately flavored beverage which may save us many heavy doctor's bills.—Civil Service Gazette. Made simply with boiling water or milk. Each packet is labeled "James Eppe & Co. Homeopathic Chemists, London." Also, makers of Eppe's Milky Cocoa (Cocoa and Condensed Milk).

If we can benefit the readers of the MERCURY by recommending "Parsons' Purgative Pills" to be the best anti-bilious medicine in the country, we are willing to do so. We have had about as good a chance to know as any one

WORTHY OF NOTE.—An exchange says there is scarcely a day passes that we do not hear, either from persons coming into our office or in some other way, of the success of "Johnson's Anodyne Linctum" in the cure of coughs and colds, so prevalent about town just now.

THE VENERABLE ARCHDEACON SCOTT, of Danham, Canada East, says that he suffered from Dyspepsia more than twenty-five years, but that three weeks use of the Peruvian Syrup (an Iron Tonic), has benefited him so wonderfully that he can hardly persuade himself of the reality, and people who know him are astonished at the change.

Dr. S. JACOB, on Aphosia, or loss of voice—Orange St., St. John, N.B., 1869.—Mr. Fellows.—Sir: I am bound to award the palm of merit to the preparation of Hypophosphites discovered by you. I had occasion to use it myself in a case of Aphosia, which would not yield to regular treatment, and am happy to say, it proved to be all that you claimed for it, having acted with expedition and entire satisfaction. I feel called upon to publish the fact, that the profession may avail themselves of a remedy in your "Compound Syrup of Hypophosphites." Yours, very truly, S. JACOB, M. D.

Husband (returned from the village)—Mary, here my dear; I have just returned from town and brought with me your entire list—tea, coffee, sugar, calico, and in short a wagon full of it.

Wife (hastily)—And forgot the Pain-Killer! Husband—Oh! no; I couldn't forget that.

At the most prominent outlet in every store in town, and besides the fences, and stores, and buildings all have "Pain-Killer" painted or pasted on them to remind one of its every minute.

The store-keeper says that the Pain-Killer should be in every home, and where one can put their hand on it in the dark if need be.

Wife—It must be reliable, else the Pain-Killer wouldn't praise it to the skies as she does.

USE THE BEST.

Nine years before the public, and no preparation for the hair has been produced equal to Hall's "Vegetable Siccilian Hair Renewer," and every honest dealer will say it gives the best satisfaction. It restores GRAY HAIR to its original color, eradicates and preventing dandruff, curing BALDNESS and promoting the growth of the hair. The gray and brassy by a few applications is changed to black and silky locks, and wayward hair will assume any shape the wearer desires. It is the cheapest HAIRDRESSING in the world, and its effects last longer, as it excites the glands to furnish the nutritive principle so necessary to the life of hair. It gives the hair that splendid appearance so much admired by all. By its tonic and stimulating properties it prevents the hair from falling out, and none need be without Nature's ornament, a good head of hair. It is the first real perfected remedy ever discovered for curing diseases of the hair, and it has never been equalled, and we assure the thousands who have used it, it is kept up to its original high standard. Our Treatise on the Hair mailed free; send for it.

FELLOWS

COMPOUND SYRUP OF HYPHOSPHITES

All life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and at once can save them from destruction when this principle leaves them, the discovery of which renders vitality may be sustained in the living body is in fact a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportion the brain and nervous system are strengthened.

This, then, substantially the basis on which FELLOWS'S HYPOPHOSPHITES is built, its direct action upon the Blood, the Brain and Nervous System, and the Muscles, Strengthening Nerves, causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

Restoring the Sluggish Heart and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully filled with Oxygen.

It is adapted for all cases of Weakness and Debility, arising from a Sedentary Life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled, and may be used with confidence in all cases.

As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for FELLOWS'S Syrup, and take no other.
