Persons who are hard should preserve their balance of power by using the Syrup.

#### A Chemical Food and Nutri-

##### tive Tonic.

Without Phosphorus no thought, say the German, and they might add, no action, since Phosphorus and the Compounds are known to be the motive power of the nervous and muscular system. They constitute more than half the material of the human system, being found in every tissue, and their body, being found in every tissue, and their presence is absolutely essential to nutrition, as they promote the conversion of albumen into the food into energy, and is the vitalizing agent of pure, healthy food. They are now coming into universal use in Europe and America in the treatment of Scrofulous, Consumptive and Venereal diseases, which are caused by impoverished or poisoned blood, and in diseases of women suffering from irregularities, obstructions and exhausting discharges, in pale, puny children, and that condition of nervous and physical prostration resulting from bad habits, excessive use of stimulants and tobacco, and all that kind of evil known as fast life. The great reliability and promptness in its effects in immediately and permanently restoring the debilitated constitution has made DR. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES and SALICIN a great favorite with the Physicians and Public. Sold at \$1.00.
