MOUNT ROYAL WON THE FIRST PUBLIC SCHOOL MEET

Keen Competition Among Pupils of Mt. Royal, Earl Grey, Sunalta and King Edward Schools

Mt. Royal school won the championship of the southwest section schools' athletic meet yesterday afternoon in somewhat easy fashion, defeating Sunalta school, last year's champion, by a fair margin, and leading the second school, Earl Grey, and King Edward by a substantial number of points.

A big crowd of parents and kiddies turned out to see the sports, which were favored with almost ideal weather. The cheers of the youngsters as their favorites won could be heard for blocks and blocks, while to those close by the noise was almost deafening. It was agreed by all, however, that it was a healthy kind of noise, and the loyalty of the youngsters for their schools—there are no prizes given—was remarked by many on-lookers.

Boys Won for Mt. Royal.
Mt. Royal boys won the victory for their school, which has been consistently building up a track and field athletic team for several years. The first year Mt. Royal competed they were closest to the cellar position, but through the enthusiasm and energy of Principal Frank Johnston, the boys have stuck to their guns, and their splendid victory yesterday was the happy result. The girls were not as successful as the boys, scoring less than half as many points.

These Girls Show Athletics.
Sunalta and Earl Grey girls brought their schools strong, and the boys in these particular halls of learning will have to take off their hats to their athletic girls.

TEDDY ATTWOOD, CALGARY SOCCER PLAYER, RETURNS

Buried Twice at Somme and Vimy Ridge, Lance-Corporal Attwood Is Returned Home Unfit

Lance-Corporal "Teddy" Attwood, of Calgary soccer fame, returned home from the front yesterday morning, after a long sojourn in the trenches as a member of the 5th Battalion.

Corporal Attwood will be remembered as one of the star players of the old City football team, in the days of real sport, when some of the fastest exponents of the British game played in the Calgary Association Football League. His experience in the trenches was strenuous all through, being completely buried at the Somme affair and at Vimy ridge. He also served with the Canadian forces at Ypres.

Corporal Attwood informed The Albertan that he had met Arthur Wakeham, M.C., and Alex. Melville, M.C., in France, where they are doing their bit. Melville was wounded, and during his convalescence met the only girl, and was married. He is now back in the trenches. Both Wakeham and Melville are well known in provincial football circles.

On the boat Corporal Attwood crossed in there were four married soldiers returning with their wives. These were given first opportunity of passing the medical officer at the point of disembarkation, the single men having to wait their turn.

\$50.00 IN CASH

OFFERED AS AN

EXTRA PRIZE

PARTICULARS

\$50.00 IN CASH will be paid to the candidate in The Albertan automobile contest, regardless of residence or district location, who turns in the largest amount of money for subscriptions (both new and renewal) between the dates of Wednesday, October 3, and Tuesday, October 23—a period of three weeks.

Previous collections will not count—only the subscription money handed in or mailed to the contest department between the dates mentioned above.

All candidates start in on an equal basis—the ones who have already turned in subscriptions and those who have not as yet been active in subscription getting.

This is a SPECIAL PRIZE, in addition to the regular prizes, and all votes issued during the three weeks will count toward the regular prize at the close of the contest, and the candidate winning the \$50 Cash Special Prize will be eligible to win any of the regular prizes at the close of the contest.

\$50.00 in cash extra!

Someone will get the half-century for three weeks' work.

There will not be any waiting. The prize will be awarded as soon after Tuesday, October 23, as all the returns are in from the outside districts—not later than the following Saturday.

None of the candidates has any advantage in the start for this special prize. In fact, candidates may enter now and work for the special without any handicap whatever.

Probably a number in the list have been waiting for a "stimulator" to give them the necessary "pep." To pick up \$50 for eighteen days' work is a very good safety in itself. There are no strings to this offer. It is open to all.

Every vote issued during the time candidates are working for the special prize will count toward the regular prizes at the close of the contest. Votes have no bearing at all in the winning of the \$50 extra prize. A careful record will be kept of all the money turned in during the three weeks, and the candidate with the largest total gets the cash. That's all there is to it.
