Dear Miss Dickson,—
The Red Stamp Company and the Red Cash Coupon Company, of this city, have both failed within a week. We expected it and have warned the public against collecting the tickets or coupons of all of those unreliable

companies. As over twenty of these "imitation" systems have failed in the Dominion within the past two years, the public are becoming more and more convinced that the only safe Trading Stamp is that of the "Dominion."

There are still a few of these small concerns issuing tickets and coupons, but they will not last long. Please inform our collectors that the Dominion Trading Stamp Company has no connection whatever with these small concerns and that the reports circulated from time to time that any

of our showrooms in any city had closed are absolutely false. Yours closed, are absolutely false. truly. DOMINION TRADING STAMP CO.
