YOUNG LIBERAL CLUB OF LONDON

NAMES OFFICERS FOR THE YEAR

**Mr. Harry Ranahan Was Elected
President of Organization—
Energetic Staff.**

An enthusiastic meeting of the young Liberals of London was held last night in the club rooms, corner of Queen's and Park avenues, when officers for the year were elected and spirited speeches were made by many leaders of the party.

Each and every one expressed unbounded faith in the Liberal party and its leaders. Mention was made of the fact that Mr. Hyman had aroused the greatest enthusiasm, and the opinion was expressed that if Mr. Hyman comes to London to assist the Liberal party, his majority will be a sweeping one.

Several of the speakers also alluded to the urgent need for an auditorium and bowling alley at the club, and it was stated that both will be built this summer. The auditorium, which will

front on Park avenue, with the bowling alley at the rear, will be used for entertainments, meetings, etc.

The officers elected last night are known as energetic and sincere workers of the young school of Liberals. The new president Mr. Harry Ranahan, though young in years, is a veteran in the work, and the tributes paid to his efforts by prominent Liberals last night must have repaid him in some measure for his unselfish labors.

The officers were all elected by acclamation, are as follows:
President—Harry Ranahan.
Vice-President—Ward 1, Arthur Little; ward 2, E. I. Sifton; ward 3, Dr. George Clark; ward 4, Dr. J. B. Campbell.

Secretary—Treasurer—Edgar Jeffery.
Committee—Ward 1, Thomas Gerry; Ward 2, George Fraser; Ward 3, John McEwen; Ward 4, Fred Lind, William Saunders, Arthur Beal.

Auditors—Dr. Claude Brown and Walter Craig.

**Domestic Science Move
Defeated On Close Vote**

**Another Attempt to Have It
Taught Grade VIII. Girls
Was Unsuccessful.**

At the regular meeting of the board of education, held yesterday afternoon, another attempt was made to have domestic science taught the girls of grade VIII, of the public schools.

The matter was introduced in a report of No. 1 committee, recommending that Grade VIII, girls be allowed to take lessons in domestic science at the Collegiate Institute and Normal School, if satisfactory arrangements could be made.

Under the present arrangement, the girls of the Collegiate Institute and Normal School, if they wish, may take lessons in domestic science at the Collegiate, it was explained, it would be possible to give the instruction to the pupils of West London, Colborne street, Princess avenue, Talbot street and St. George's schools, leaving the girls of Askin and Simcoe schools to attend the Normal school.

It was pointed out that the girls at Lorne avenue, Rectory street and Aberdeen schools would not receive any instruction in the subject if the measure was defeated on a vote of four to three. Trustees Fitzgerald, Gammage, and Strong, however, were opposed to the measure.

The resignation of Mrs. Hart, janitress of the Richmond street north school, was accepted, to take effect at Easter. Applications for the vacant position were received from Mrs. Griffith and S. Gunn. Mrs. Griffith was appointed.

Miss Bessie Hull's application for a position in the teaching staff was referred to No. 1 committee, as also was the resignation of Mrs. Hart, janitress of the Richmond street north school, was accepted, to take effect at Easter.

LIBRARY ASSOCIATION MEETING.
The fifth annual meeting of the Ontario Library Association will be held in the Canadian Institute, Richmond street east, Toronto, on Monday and Tuesday, April 24 and 25. Some of the topics to be discussed are: Classification, by Miss E. A. Schmidt, Public Library; "The Merits and Defects of the New Public Library Buildings in Ontario," an open conference. The Minister of Education, Mr. Dewey, is expected to be present, if parliamentary duties permit. One of the greatest library experts in the world, Mr. Dewey, state director of public libraries, Albany, N. Y., will be present and give two addresses. Mr. Dewey is a very forceful and magnetic speaker, and a living encyclopedia of library matters. Everyone interested in libraries is welcome to the meetings, and programmes have been sent the secretary of every public library board in Ontario.

The application of Alfred Henshaw, a non-resident, for permission to send his children to a city school.

The principals of the Simcoe street, Wortley road, St. George's and Talbot street schools submitted reports of the repairs necessary at those schools. Referred to No. 2 committee.

Chairman Yeates and Trustee Fitzgerald, chairman of No. 1 committee, were appointed delegates to the annual convention of the Provincial Educational Association, to open in Toronto on April 25.

Chairman Yeates, Trustees MacRobert, McCormick, English, Fitzgerald, Strong, Teasdale, Gammage, Tillman and Blackwell, Principal Radcliffe, Inspector Edwards, Truant Officer Veir and Secretary McElhennan, were present.

**WANTS TO AVOID
TROUBLE WITH MEN**

**Grand Trunk Takes Peculiar
Action at Montreal—Nothing
Done Here.**

A dispatch from Montreal says: With a view of avoiding any more trouble with the men's union the Grand Trunk Railway on Saturday took a peculiar action with the men employed at the shops about Montreal. Orders were given to the 3,300 men employed in the night and day shifts to report at the office and were requested to sign an agreement containing these three questions: "Are you satisfied with your present employment?"

"Are you satisfied with your present wages?"

"Will you agree to settle any grievances personally with your officials?"

"It is understood that the same agreement will be obtained from the men in western shops and will result in a company refusing to deal with unions."

Mr. Thomas Treleven, the master car builder at the Grand Trunk works in East London, was asked today if any such action had been taken with the company's employees in this city, and he said nothing had been done, nor had he received any instructions from Montreal in regard to the matter. As far as he was aware, the men in the car works were not organized, and no trouble of any kind was anticipated.

**YEAR OF PROGRESS
IN W. M. S. WORK**

**Work in London Methodist
District Advanced in 1904
—Mrs. Beal Re-Elected.**

The annual convention of the Women's Missionary Society of the London Methodist district, was opened yesterday afternoon at the Coimbrene Street Church, with an exceptionally large attendance of delegates. Mrs. Beal, who is district organizer of the society, presided at both of the sessions.

Rev. Dr. Daniel opened the afternoon meeting with devotionary exercises and Scripture reading. Following this Miss M. Moore, of the Empress Avenue Church, was elected to fill the position of treasurer, rendered vacant by the resignation of Mrs. Frank Smith.

The reports of the circles and mission bands were received, and discussion, led by Mrs. McMechan, followed. This work took up the entire afternoon session.

The evening session was opened by a short address from Rev. Dr. Daniel, following which Mrs. Beal, the district organizer, gave a most satisfactory report on the work of the year. A membership of 6,000 was shown, while the auxiliaries also had over 500 members. The year as a whole was very successful, and everything pointed to a continuance of this prosperity.

An inspiring missionary address was delivered by Rev. E. E. Scott, of Galt, in the Yukon. The need of missionaries was very great, but the Methodist Church did not have a single missionary in Canada, which he said, called for a greater number of missionaries in the field. An estimate would reach 100,000,000 before the century closed. Was the church doing enough to keep up with the gigantic increase?
