LONDON'S UPHILL FIGHT ENDED
IN DEFEAT OF ERIE IN NINTH

Heinie Steiger Was Driven From Fourth, When Six Runs Were Put Over—Hammond Finishes, Allowing Only One Run—Linneborn's Base-Running a Feature.

[Special to The Advertiser.]

ERIE, Pa., June 17.—After cutting loose in the fourth inning like a real ball team, driving Steiger from the mound during one of the heaviest bombardments in a single inning witnessed at Perry Field this summer, in which the Erie Yanks ran up a total of six runs, they fell in the final inning before the league leaders from London, and lost this afternoon's game by a score of 3 to 7. Steiger, who started for the visitors, went fine up to his fatal inning, and it looked as if he might keep Gygis's men eating out of his hand over the entire route. Then the blow-up came. The first two men in the fourth got free transportation to "Looie" Bierbauer's cushion, and this sent Steiger over the aeroplane route. The next batter straightened out one of his twisters, sending it to the fence, and a couple of more, including McNeil and Scott, spelled the bench for Mr. Steiger. Hammond, who had been given the S. O. C. and hurried to the rescue of Doc, Reising's rapidly sinking ship. He passed the first man, but then steadied down, and retired the locals without the aid of the fire-fighting apparatus.

Brown, who started for the Yanks, was hit often, and when he was jerked in the ninth by Manager Gygis, a dozen bingles had been made off his delivery, including two three-baggers and a couple of doubles. With the score six to four against them, London hung up a trio of runs in the eighth, and when the Yanks came to bat, Behan hit Hammond's delivery for a circuit drive, evening up the score.

In their half of the ninth, London shoved the winning tally across the plate. Linneborn started with his work at bat and on the paths. His base-running has been one of the features of the present series. This was the first game that Erie has played at Perry Field with-

out an error since the start of the present season, but the loose manner in which the Yanks handled themselves on the field, and their apparent lack of "pep" brought many protests from the fans.

PETES BEAT HAMS AGAIN,
TAKING THE WHOLE SERIES

"Doc" Yates Was Slammed Hard, While Shettler Holds Hamilton Safely—Petes Look Good.

[Special to The Advertiser.]

HAMILTON, June 17.—By taking this afternoon's fixture, Peterboro, Canada League, won the fifth of the six games of the series with the locals. The score today was 4 to 1.

"Pete" took two of the three in Peterboro and grabbed them all here. There was some excuse for the visitors winning today. Shettler, on the mound, allowed the Athletics but three bingles, while Manager Yates was generous to Peterboro to the extent of five bingles. Peterboro has played excellent ball in Hamilton and had two double plays again today. Hamilton got the lead in the game when, in the second, Corns reached first on Byrne's error. Haefner sacrificed the Hamiltons to second, and he scored on White's single. Thereafter, Hamilton was not dangerous. Shettler held them out at his mercy. But it was in the fourth inning that Peterboro first scored. Welsh singled and romped home on Steiger's double. King sacrificed Steiger to third, and the latter scored on Gorman's single. In the eighth, the Petes put another pair of counters across the plate, and Steiger was sacrificed to second. Welsh singled, scoring Blount, and then stole second. Stewart singled, and then scored. Peterboro could have scored a third in this inning only "Dad" Stewart gave an exhibition of base running and forced King out. The score:

CANADIAN LEAGUE NOTES

Jack Snyder's home run at Erie on Tuesday went over the bull in deep left field. It was one of the longest hits made in Erie this season. Bobby Heck's four-ply smash was over the right field fence, which is some distance shorter.

The Saints are travelling along good just now, and they looked better than Ottawa in the recent series. Incidentally, they gave London a nice margin on top by taking three out of four from Shaughnessy. Thank you, St. Thomas.

One Erie paper is knocking the Canadian League and the Erie club for all it is worth. It is causing all the trouble in the Yankee city.

Kuotty Lee's Beavers are slipping badly. When Old Rube Deneau and his ancient mariners can walk in and take two out of three from them there is something radically wrong. The Brants have only won six out of their last nineteen games.

Rumors of "Doc" Yates losing his job at Hamilton are again whispering around in the Ambitious City, despite the directors' assertion that Yates would hold the reins throughout the season. The Hams

SAINTS SEND SENATORS DOWN ANOTHER NOTCH

[Special to The Advertiser.] ST. THOMAS, June 17.—The Saints made it three out of four from the Ottawa Senators by grabbing today's game. Roy Wilkinson, the elongated twirler, was in a good form and with the exception of the opening innings never was in danger. Joe Lill was Shaq's choice, but he was not as wild as usual, but was hit freely. In the first session after Bullock had been retired, Nill, Shaq, and Dolan, connected safely, Nill scoring himself, and Kustus, brought in the third base line and was safe on Gillespie's wide peg. Large scoring.

The Saints counted in the second on a single by Kading, Craven sent him in on a slashing triple to right. The next came in the fourth on Hadley's walk. Kading single and Craven's smash to right.

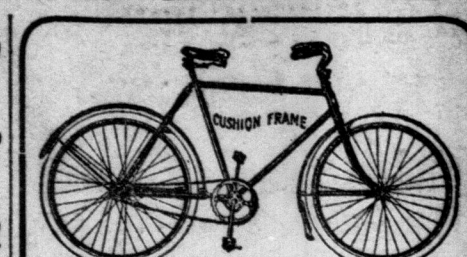

They tucked it away in the fifth when Kopp was given transportation to start with and was forced by McNeill. Hadley and Kustus followed with a pair of doubles. McNeill and Hadley registering. In the seventh, a walk, a wide pitch and a single by Kustus, brought in the fifth and final run.

Manager Shaughnessy changed his lineup today putting Dolan up in fourth place. A big fuss was kicked up when in the seventh, with men on bases, Lage dropped Craven's high fly. Umpire Bedford called Craven out. The Saints claimed the ball was in foul territory.

To London, however, must be handed the palm. The Cockneys are without a doubt the best ball club that has played at Perry Field this season. Besides being able to hit the ball, they have a wonderfully fine fielding aggregation, are fast on the paths and display more "pep" than any two teams seen here this season.

Linneborn, the visiting second baseman, is credited with being the fastest man in the league. From the way he ran the bases yesterday, we believe it. Linneborn is well known in this city, having played here with the Buffalo Germans, champion basketball aggregation.

PLAYERS' GREED
WILL KILL GAME

Ban Johnson Says If Ball Players Keep Up Present Mercenary Spirit Public Will View Game With Disfavor.

Chicago, Ill., June 18.—Money greed on the part of players bids fair to be the curse of baseball, according to B. B. Johnson, president of the American League. Johnson, left for New York today to take part in a meeting of the National Commission at which it is said measures will be taken to prevent the Federal League's threatened raid on the major players.

After declaring that organized baseball will prevent by injunction any major league player from appearing in a Federal uniform, Johnson said: "However, if there are, as President Gilmore of the Federals says, forty major league players who are ready to jump to the Federals, I say let them jump so that we may know who they are and rid the sport of men who are in the game for purely mercenary reasons."

"It is an awful thing for a player to boast that he is in the game merely for what he can get out of it. He is serving notice on the public that he is a mere hireling and will do anything for money. Once let the public get imbued with the idea that baseball players are ready to jump con-

trats or do anything else if there is enough money in it, and they will no longer believe that games are honest. They will soon believe that players can be paid to throw games. If this thing should keep up ball players will be glad to play for \$2 a game and pass the hat to get it."
