Life and Character Reading.
OCTOBER 19.

People of this birthdate have unbounded enthusiasm which seems never to diminish. They are impatient of methods and despite the necessary routine. When angered, which is seldom, they leave nothing unsaid. The effect is like a cyclone which leaves the air disturbed for praise and appreciation, and never do a kind action for the credit derived from it. They should labor to overcome the habit of exasseration, which, from an over-enthus tion, which, from an over-enthu-siasm is very marked in this sign The governing sign of this date is Libra, the sign of the Scales, and the governing planet is Venus, the goddess of love. The birthstone is an opal.

CORBETT—In fond and loving memory of Mrs. A Corbett, whom God called to rest one year ago today, Oct. 19, 1921.

Just when her life was brightest, Just when her hopes were best; She was taken from her happy home To a home of eternal rest.

We think of her as one who sleeps, All free from grief and pain; And know the happy days will come When we shall meet again.

Her loving husband and son Harold.
