The cleanliness of the sealed package appeals to

the daintiness of a woman. She knows that it protects the contents from dust. dirt, odors and moisture.

She will be doubly pleased with our new waxed board package which we have adopted after several years of testing-because it is stronger, more secure and more completely air-tight; altogether the best container for tea that has yet been devised.

Ask your grocer for Red Rose. Tea

Red Rose Coffee is as generously good as Red Rose Tea
