WATFORD, NOV. 30, 1906.

Canada and the Empire.

Goldwin Smith in Weekly Sun: Canada is said to be affronted by the avowal of an English journal that the British people could not be got to risk a war with the United States in the quarrel of Newfoundland. Has England on her side not reason to feel affronted when, while a rebellion is threatened by the Irish leader and begins to show itself in one district of Ireland, the prime minister of Canada, for the sake of the Irish vote, publicly pays homage to the representative of home rule, that is of the disruption of the United Kingdom coming fresh from the Fenian Platform of New York? So it is said so it will be so long as the attempt is continued to talk into unity of interest and press into unity of action communities which are divided by the Atlantic, and, though, as we hope forever united by the tie of the heart, have little of material interest in common.

ENGLISH SPAVIN LINIMENT removes all hard, soft or calloused lumps and blemishes from horses, blood spavin, curbs, splints, ringbone, sweency, stifles, sprains, sore and swollen throat, coughs, etc. Save 50c by use of one bottle. Warranted the most wonderful Blemish Cure ever known. Sold by T. B. Taylor & Sons.

The Iroquois Hotel Barber Shop has changed proprietors. Mr. Foreman purchasing Mr. Wallace's interest in the same. The transaction took place last night, and the new proprietor is now in charge.

BILEANS A "WOMAN'S MEDICINE."

Grateful Wives and Mothers Testify To Their Value.

Bileans have been called "a woman's medicine" because of their exceptional fitness for the various ailments peculiar to the sex, as well as for liver disorders and stomach ailments generally. Unlike most liver and stomach medicines, Bileans contain no bismuth, mercury or any mineral whatever. From coating to kernel they are purely vegetable.

Mrs. J. Whitfield, of Swan Lake, (Man.), says:—"Bileans have done me a wonderful amount of good. I can hardly describe how bad I felt before I took them. I could not eat but that it caused pain. There was a constant sensation of tightness in my side, and my liver was entirely out of order. I could not sleep at nights, suffered also from kidney trouble, and was altogether in a rundown and very serious condition. I had been sitting in this way for years, and it is gratifying to find that Bileans were equal to my case."

Mrs. Wm. Hall, of Dean Lake, says:—"I have proved Bileans very good for constipation, from which I suffered a great deal. They cured me."

Mrs. J. H. Thompson, of Cleveland Park, says:—"For irregularities and painful periods I can highly recommend Bileans. They proved a great blessing to me and restored me to health when I had become very ill and very despondent."

Bileans are absolutely unequalled for female ailments and irregularities, constipation, piles, anaemia, debility, rheumatism, blood impurities, etc. They tone up the system and enable it to throw off colds and chills, strengthen girls just emerging into womanhood, and speedily restore energy and strength to those who are rundown. Of all druggists at 50c. a box, or post free from the Bilean Co., Toronto, on receipt of price, 6 boxes for \$2.50.

County Councils For 1907.

The new County Council Act comes into force on the 1st of January next. Under it a return is made in great part to the old system that proved so cumbersome and unsatisfactory in form or years.

Following are the chief provisions of the new act:—

In and for the year 1907 and thereafter the council of every county or union of counties in this province shall be constituted as follows:—

Every town not separated from the county for municipal purposes, and every township and village, shall be represented in such council by the reeve of such town, township or village municipality, and, in addition to the reeve, by a deputy-reeve, or deputy-reeves, as follows:—

If the municipality had the names of more than 1,000 and not more than 2,000 persons on the last revised voters' list of the municipality as qualified to vote at municipal elections, then by a deputy-reeve.

If the municipality had more than 2,000 such names upon such list then by a first deputy-reeve and a second deputy-reeve, and

If the municipality had more than 3,000 such names upon such list then by a first deputy-reeve, a second deputy-reeve and a third deputy-reeve.

The effect of the act will be to increase the size of most of the county councils, but none of them will be quite so large as they were prior to the introduction of what is known as the Hardy act.

Ever Have Cramps?

Kind of fierce to be tied up in a knot at midnight with cramps. Keep Nerviline handy. Used occasionally Nerviline prevents this trouble entirely. From Stratford, Ont. Wm. Dee, writes: "Nothing I know of will give such quick relief to cramps colic or pain in the stomach as Nerviline. If you feel squeamish or sick, just ten drops of Nerviline in water and you're well next minute." Think of the protection and comfort contained in a 25c bottle of Nerviline, and get it to-day.

Hornets Cause a Holiday.

Thursday afternoon the class in pharmacy botany at the University of Oklahoma found that they would not be able to use the laboratory on account of a swarm of hornets which had taken possession at the noon hour, coming in through the windows, which had been left open.

An effort was made to drive the hornets out, but after several of the men had been badly stung the door was closed and the room was turned over to the stingers. Later in the afternoon burning sulphur was placed in the room and the unwelcome visitors were ejected, but one class at the university had an unscheduled holiday.—Norman Correspondence St. Louis Republic.

A Question Often Asked.

Why so many people feel worse after taking pills than before? Trouble is that drastic pills are used. No remedial action is obtained, the bowels are irritated and dreadful constipation follows. In using Dr. Hamilton's Pills you are scarcely conscious of having taken medicine. Although very mild, Dr. Hamilton's Pills do regulate the bowels, stimulate normal action of the glands, and create neither nausea, griping or violent action. Positively guaranteed for biliousness, indigestion, stomach, liver and kidney ills. For a safe family pill rely on Dr. Hamilton's, 25c per box, at all dealers.

Hard To Please.

Jim Jones he was an editor; that is he tried to be; He bought himself a handpress, an' started in to see, Jes' what there was to editing; but when he'd canvassed round, Some fifteen hundred editors that same town he found, They all knew more about it than Jones could hope to know; They told him: "You must run her, Jones, jes' so an so an so!" "Give every man a notice; be sure and put it down Whenever Major Jinks is seen to perambulate the town. Put in a few free locals for all the stores and give Each man a free subscription, if you want your sheet to live!" Well, Jones he done jes' as they said, for fear they'd make a row But the more he tried to please them all, the more they told him how! Until at last he took his book an' laid it on the shelf; Then run the paper in the ground, an' folloed it himself!

Pulling Together Through a Crisis.

"A period of business depression or failure, the loss of position or other reverses, the cutting down of income and many dangerous sequels to this dire disease, may bring the husband and wife face to face with a financial crisis. It is the entrance to a time of stringency, strain and sacrifice, with no exit made visible even by the telescope of optimism. It means a reconstruction of the home regime on siege lines; there is a re-classifying of household expenses and many of the luxuries are quietly removed from consideration, and many of the old necessities are promoted to the luxury class. Financing arises from a mere science to the dignity of an art, and every dollar has to work overtime and do the duty of two or three. Chafing restrictions take the place of the old freedom, and a new atmosphere fills the home. It is a situation requiring slow, careful watchfulness as that of a sea captain standing on the bridge of an ocean steamer and directing the small like progress of his ship under slow steam, through a heavy fog.

"There is danger of fretting, blame, reprimand, protest, and lack of sympathy on the part of the wife, met by a tendency to coldness, crossness, bitterness, anger, hopelessness, sulks, gloom or despair on the side of the husband. When conditions are darkest the lamp of love should be kept burning brightest. This is an occasion where the two should pull together. You cannot move and guide about properly with one oar; it requires the two on opposite sides to move in harmony."—William George Jordan, in the December Delineator.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it to be incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

A Girl Farmer.

The most enterprising farm girl in South Dakota is Mary Mancke, the 13-year-old daughter of a well-known farmer living near Wheeler. The girl helps her father in carrying on his farmwork. Her father is busy with his fall work and to save him time Mary each day but Sunday hauls a load of wheat to market at Platte. She is shrewd for one so young and transacts all the business of seeing that the purchaser of the grain does not cheat her on weights and gives her proper credit for the amount of grain delivered.

Fatal Blood Poisoning.

Frequently follows the use of cheap corn salves and plasters. The safest is the best and that's Putnam's, which has a record of fifty years success. Refuse substitutes for "Putnam's" which costs 25c in every drug store.

Education in Turkey.

In Turkey there are 1,500 schools in which girls receive education. There are forty secondary schools having 3,000 girls on their rolls. The learning of Koran is compulsory, and arithmetic, geography and elementary science are taught.

More than one best?

When you ask your grocer to send you the best flour, he sends you—his best. When you know the best flour and order by the name, the choice is not left to the grocer. Many grocers handle

Royal Household Flour as their leader. They have found it the safest flour to recommend because its results are sure and its purity is unquestioned. If your grocer's best is not Royal Household, insist on his getting it for you. The benefit will be mutual.
