Jas. Garside and two children, Jack and Doris, accompanied by Mrs. Chas. Luckins visited with relatives at Kingscourt recently.

Mr. and Mrs. George Hartley, of Sarnia, visited with P. and E. townline relatives on Sunday.

What Your Battery Does!

PRESS the starter and the engine jumps into life. Turn the ignition switch and hot sparks fly from the spark plugs, firing the gasoline vapors that give power to the engine.

Touch the horn button and a cheery blast warns traffic and clears the way.

Snap on the lighting switch—bright lights penetrate the darkest night.

These are the jobs your battery does. The things that make a modern motor car the easiest, safest and most convenient transportation that the world has ever known.

Prest-O-Lite Storage Batteries are known everywhere in Canada to give a long, repair-free life that eliminates battery worries.

Ask us about Prest-O-Lite prices and service!
