The Members of the Karsdale Union Bible Class Royally Entertained

One of the most interesting and enjoyable occasions of the season occurred on Monday evening, 14th inst., when the Karsdale Union Bible Class was entertained by the people of Granviile Centre in their spacious hall. About dusk the party reached the Hall and were cordially received by Rev. Mr. Brindley, who directed the function, and whose active interest in the affair assured every one a happy time. One after another filed into the room until the company must have numbered over 100, each one laden with good things which were soon transferred to a table capable of seating over 20, and soon the gastronomical demands of the happy company were being attended to. Addresses by Rev. Mr. Legge and Rev. Mr. Hudson of the Annapolis Baptist Church, interspersed, were of a high order and greatly appreciated. After some appropriate remarks by E. H. Porter, President of the Karsdale Class, he moved a vote of thanks to the people of Granville Centre for the excellent manner in which they had entertained the visiting class. This was seconded by Rev. Mr. Legge and passed unanimously. Rev. Mr. Brindley tendered the same which called forth a neat speech from Mrs. Goodwin. After a late hour the company broke up, all declaring that in all their experience they had never had a more enjoyable time.
