### The Eleventh Annual Convention of the Dairymen's Association of the Province of Quebec.

The meeting of this Association will be held this year, 1892, at Ste-Thérèse de Blainville, on Wednesday and Thursday, the 14th and 15th of December.

As the place where the convention is to be held is in the immediate neighbourhood of Montreal, a large attendance of the dairy-farmers of the Island of Montreal may be expected, from whom, no doubt, many valuable hints will be gained.
