## ONTARIO LAW STAMPS,

The stamps exclusively used for this province are devoted to law usages. The first issue are green in color, and the design is a figure of Justice, holding aloft the balances, while the other hand holds a sword pointed downwards. The value appears at both top and bottom of each stamp, and on the right and left sides is the wording "Canada Law Stamp." One can readily see to what use these stamps were put by the various surcharges.

A few years later, the values were issued in a smaller size, and the color changed to red. At the present time this issue is still in use. The unperforated ones are frequently found, and in this state are priced.
