There are many excellent methods which might be adopted to

AID

the work of Presbyterian Congregations, and these have ever been the subject of debate

TO

those interested in the advancement of our denomination. Societies have been established to lighten the

MINISTER'S

labors, who, of course, in the majority of cases, is the guiding spirit and motive power

IN

matters affecting our churches. But these organizations are not sufficient to achieve the highest success.

THEIR

efforts should be augmented (as in other spheres) by a newspaper exponent. To fill this need, as far as the

WORK

of Presbyterian ministers in the Dominion is concerned, no publication can take the place of

THE CANADA PRESBYTERIAN.

I am of opinion that the Ice from Grenadier Lake is, from a bacteriological standpoint, of remarkably fine quality, and is fit for any purpose to which ice may be applied.

To pay a reasonable rate for advertising in journals of influence and circulation than to expend many times the amount for the painful experience that always follows the employment of papers which do not fill these requirements.

To reach the Presbyterian constituency, in which there are over 700,000 members, no better medium than THE CANADA PRESBYTERIAN could be chosen. It covers the whole ground
