### HEALTH AND HOUSEHOLD HINTS.

To remove lime from an iron pot wash in strong vinegar.

A cup of cocoa makes a very refreshing drink after one has been shopping all the afternoon.

Bread and cake bowls or any dishes in which flour and eggs have been used are more easily cleansed if placed in cold water after using.

If cake is to be baked in sheets and not to be iced, sprinkle powdered sugar over it before putting it into the oven. This will give a smooth sugary crust.

A writer in the *Lancet* points out that the best coffee is made in the simplest apparatus—a plain earthenware jug. This, with boiling water and a reasonable amount of berries, freshly ground, is all that is required.

To Keep Meat Fresh.—Farmers or others living at a distance from butchers can keep fresh meat very nicely for a week or two by putting it into sour milk, or butter milk, and placing it in a cool cellar. Rinse well when used.

Lemon Granito.—Put into the freezer a quart of sugar syrup (twenty-eight degrees) with a good wineglassful of strained lemon juice. Freeze it in such a way that it forms an ice-cold liquid full of little pieces of ice.

Spanish Toast.—Take stale bread, cut in thick pieces, and dip in egg with milk prepared like custard, but without sweetening or flavoring. When the slices are all well saturated, fry in a very little butter, enough to prevent adhering to the pan, Serve immediately with a sauce.

Lemon Cookies.—One pound of flour, or enough for stiff dough; one-quarter pound of butter; one pound of powdered sugar; juice of two lemons, grated peel of one; three eggs, whipped very light. Stir butter, sugar, lemon-juice and peel to a light cream. Beat at least five minutes before adding the yolks of the eggs. Whip them in thoroughly, put in the whites, lastly the flour. Roll out about an eighth of an inch in thickness, and cut into round cakes. Bake quickly.

Lemon Sponge.—Two ounces isinglass, one pint and three-quarters of water, three-quarters pound powdered sugar, the juice of five lemons, the rind of one, the whites of three eggs. Dissolve the isinglass in the water, strain it into a saucepan, and add the sugar, lemon-rind, and juice. Boil the whole from ten to fifteen minutes, strain it again, and let it stand till it is cool and begins to stiffen. Beat the whites of the eggs, put them to it, and whisk the mixture till it is quite white; put it into a mould which has been previously wetted, and let it remain until perfectly set; then turn it out, and garnish it according to taste.

### BEST METHOD OF CLEANING BLACK DRESS GOODS.

Every one has or wants a black gown nowadays, and such goods as serge, chevrot, cashmere, Henrietta, etc., are easily cleaned. First remove the grease spots with naphtha, and remember that this fluid is very explosive when exposed to either light or fire. Make a lather of warm soapsuds, using a good, not strong, soap, and a teaspoonful of borax to every two quarts of water. Into this dip the goods up and down and wash between the hands; then wring gently and pat partly dry; hang in the shade, and when nearly dry iron on the wrong side with a moderately warm iron. Always rinse once in luke-warm water, and iron until the material is perfectly dry. Never rub a fabric that is being renovated on the washboard, nor wring it tightly, and in using naphtha remember that it roughens the hands, and that after using it is well to put vasoline upon them and to wear old gloves. Wash alpaca in the same manner as cashmere, adding a little gum-arabic to the rinsing water. If the black goods are of a rusty color restore them by sponging with ammonia and alcohol. Always use a piece of the same material or one near to it to sponge with.

### CONSUMPTION CURED.

An old physician, retired from practice, had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma, and all Throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints. Having tested its wonderful curative powers in thousands of cases, and desiring to relieve human suffering, I will send free of charge to all who wish it, this receipt, in German, French or English, with full directions for preparing and using. Sent by mail, by addressing with stamp, naming this paper. W. A. NOYES, 82a Powers' Block, Rochester, N. Y.
