"UP GUARDS, AND AT THEM!"

This voice that spoke those fiery words hath into silence passed, But the words are words forever—no enduring trumpet blast

His long since London streets have seen battalions bound for war; Their heads are gray, their blood is thin, that looked thereon before—

You are young and know not warfare—its paces and its pain; The names from household records it wipes out with bloody stain.

Have we not read in history its lesson writ in gore? Must we not pay, still, day by day its price in taxes sore?

Weak Right hand's forth gains giant Might,— and small England's crown is won; Upon which side we take our ground, and draw our god's swords out?

The sword he draws for God's own laws who draweth it 'gainst Wrong; In this great faith—through life and death,—the people still are strong!

Then, drums roll loud as when we could our foe men's hearts of oak; Sitting heroes to strike, expiating life—speak, trumpets loud and bold!

Then, drums roll loud as when we could our foe men's hearts of oak; Sitting heroes to strike, expiating life—speak, trumpets loud and bold!

THE FAR-FAMED MEDICINE

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS' SUFFERING.

The following testimonial has been sent to Professor Holloway, by a Gentleman named Middleton, of Scotland Road, Liverpool.

Sir,—Your Pills have been the means, under Providence of restoring me to sound health after five years of severe affliction. During the whole of that period, I suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so struck my constitution that I was unfit for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigour to the chest and digestive organs.

I am, Sir, your obedient servant. (Signed) H. MIDDLETON, Dated Jan. 1st, 1853.

A PERMANENT CURE OF A DISEASED LIVER OF MANY YEARS' STANDING.

Copy of a Letter from Mr. Gamis, Chemist, Yeovil, to Professor Holloway.

DEAR SIR,—In this district your Pills command a more extensive sale than any other proprietary medicine, before the public. As a proof of their efficacy in Liver and Bilious Complaints, I may mention the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver and digestive organs. Her medical attendant assured her that she could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly. (Signed) J. GAMIS. Nov. 27th, 1852.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from W. Moon, of the Square, Winchester.

Sir—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended and was attended by one of the most eminent Surgeons in this town, but obtained no relief whatever, and fearing that my health would be entirely broken up, I was induced to go into our County Hospital where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than when I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint.

I am, Sir, your obliged servant. (Signed) W. MOON.

AN EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr. G. Briggs, Chemist, Goolc, dated February 14th, 1853.

To PROFESSOR HOLLOWAY, Sir,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. GEORGE JACKSON, of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin, so that a daily change of apparel came necessary, notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.

I am, Sir, yours respectfully, (Signed) G. BRIGGS.
