

JOHN NEWTON.—"I see in this world," said JOHN NEWTON, "two heaps of human happiness and misery; now if I can take but the smallest bit from one heap, and add to the other, I carry a point. If as I go home, a child has dropped a halfpenny, and if by giving it another I can wipe away its tears, I feel that I have done something. I should be glad indeed to do greater things, but I will not neglect this."

BRIDE CAKE.—The custom of having bride cakes at marriages among the Christians, derives its origin from the Jews.
