

NEWS AND NOTES.

Prince Bismarck's health has in no way improved, and it is thought he will resign.

Became Sound and Well.

R. V. Pierce, M. D.: Dear Sir—My wife who had been ill for over two years, and had tried many other medicines, became sound and well by using your "Favorite Prescription."

"Hard Lumps in Breast"

Dr. R. V. Pierce, N. Y.: Dear Sir—I wrote you some time ago that I thought I had a cancer. There was a lump in my breast as large as a walnut, and had been there four months.

Yours gratefully,

Correspondence to Marseilles from Tannat states that the Malagasies continue to manufacture assagacies and other weapons.

The adulteration of condition powders has got to such a pitch that one can now buy a pound pack of dust and ashes for 25 cents.

A writer says: "I would not be without Eagar's Wine of Rennet in the house for double its price. I can make a delicious dessert for my husband, which he enjoys after dinner and which I believe has at the same time cured his dyspepsia."

Convincing Proof.

The attention of readers is respectfully called to the advertisement of the Puttner Emulsion Co., appearing in the columns of this paper. Convincing proof is there given of the unbounded popularity of their valuable proprietary medicine which cannot be gain-said.

Instantly is soon too quick to relieve camp. Many children have died while a fire was making. Johnson's Anodyne Liniment gives instant relief and is a sure cure, Half teaspoonful on sugar. Every family should keep it in the house.

Testimonial from Capt. Joshua Harper.

Sackville, N. B., Feb. 13, 1877.

J. H. Robinson, Esq., St. John, N. B.

Dear Sir,—Early in October last I took a severe cold which settled on my lungs. After having a bad cough for about six weeks, I had a very severe attack of bleeding from the lungs, while on a passage from Queenstown to Dover.

I saw an advertisement of your Phosphorized Cod Liver Oil Emulsion in a paper. I immediately sent and got half a dozen bottles, after taking which I feel myself a well man again. My weight, which was reduced to 120 pounds, is now up to my usual standard of 152 pounds.

Yours very truly, (Signed) JOSHUA HARPER, Of the barque "Mary Lowerson."

Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-phosphate of Lime is prepared only by Hannington Bros., St. John N. B., and is for sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00.

The cattle plague is extending throughout the Delta of the Nile, and is producing most serious losses.

Notwithstanding much has been said about the importance of a blood-purifying medicine, it may be possible that the matter has never seriously claimed your attention. Think of it now! If, by a use of a few bottles of Ayer's Sarsaparilla you avoid the evils of serofula, and transmit a healthy constitution to your offspring, thank us for the suggestion.

Observations taken by the British Circumpolar expedition at Fort Rae show that that place is 60 miles nearer the Pole than was previously supposed.

By land or at sea, out on the prairie, or in the crowded city, Ayer's Cathartic Pills are the best for purgative purposes, everywhere alike convenient, efficacious and safe.

Six English teachers have been sent for to fill posts in the Government schools in Egypt. This (says the Standard correspondent) is the first step towards the substitution of English for French as the language of common intercourse among foreigners.

The Agony Over.

Walking, the source of so much misery to many, becomes, after using Putnam's Painless Corn Extractor, a service of pleasure. Corns are small in size, as any one fond of a tramp can testify. Try Putnam's Extractor for corns. No discomforts, no caustic application, no blood letting, and yet splendidly efficacious. N. C. POLSON & CO., Kingston, Proprietors.

Instead of 45,000 miles, as the record of the run of a good car-wheel, 300,000 is now unusual, and some have run 600,000.

EAGAR'S PHOSPHOLEINE is the best Emulsion yet made," is what a leading druggist in Canada writes; "we have no doubt of it." It is not the advertising, but its sterling worth that is making it known, and it is amongst the physicians and more intelligent classes that it is used.

PHYSICIAN'S TESTIMONIAL.—J. F. Brine, M. D., Port Hill, P. E. I., writes:—Messrs. Puttner, Emulsion Co., Halifax. Dear Sirs—I have used your Emulsion extensively during the past four years, and have much pleasure in adding my testimony as to its efficacy. We had here last summer numerous cases of Whooping Cough and Scarlet Fever. I found the Emulsion answer admirably when the acute symptoms had subsided, in very many instances.

I am, yours respectfully,

J. F. BRINE, M. D.
