#### RESUMED BUSINESS.

THE well-known firm of **L. O. Grothe & Co.**, of Montreal, have resumed business as cigar manufacturers. Their many friends and customers will be pleased at this announcement.

**SHAKESPEARE** was right—"All the world's a stage." At any rate, the ladies think so, for they're all "made up."

THE danger and discomfort of Dyspepsia is proverbial, and it is also a proverb that **Burdock Blood Bitters** is a complete cure.

FROM the beginning of its manufacture until now not a single ounce of any but pure Virginia leaf of the finest quality has been used in the "Myrtle Navy" tobacco. The manufacturers of it have a settled belief that the public cannot be misled on this point, and that any tampering with the quality of the brand would be a monetary loss to them. Thousands of dollars a year saved by mixing with an inferior leaf, would not repay them for a doubt on the part of the public as to the quality of their tobacco.

#### FOR OVER FIFTY YEARS

**MRS. WINSLOW'S SOOTHING SYRUP** has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhea. Twenty-five cents a bottle.

#### SEAMLESS TUBE HOSE.

THIS is an age of rapid improvements, and Seamless Tube Hose is the greatest improvement during the last twenty years in this line of manufacture. It is uniform in thickness, having no seams, cracks or defects. Water cannot get through to weaken and rot the duck, and cause it to burst under light pressures, as has often been the case with the lapped-seam tube of uneven thickness. Being made by machinery, there is no liability to defects; every piece is subjected to pressure test, and every section is practically perfect, while other hose, being made by hand, generally by piecework, carelessness is liable to cause defects. Over 2,000,000 feet of this new hose were sold in the United States last year, and not a single piece was complained of. The Canadian Rubber Company, this city and Montreal, are the sole manufacturers in Canada.

THE permanent popularity of **Burdock Blood Bitters** is due to the high ratio of cures it performs. In nine cases out of ten it is successful.

WE understand that **R. H. Lear & Co.**, of the well known gas and electric fixture emporium, are holding a special discount sale to clear a purchase of over \$9,000 bought at a low figure. Get their quotations. They are still at the old stand, 19 and 21 Richmond St. West.

THE Salvation Army Rescue Home, 11 Plateau street, Montreal.—Upon the recommendation of our physician, we have been using in our Home for the past six weeks **Dyer's Improved Food for Infants**. When we first began to use it the children were in a very sickly condition, cross and hard to manage. They are now well and thriving, and no trouble at all. We can truthfully recommend it to all mothers who have to feed their babies. —**BESSIE WELLWOOD**, Captain, Rescue Home.

"MAMMA suffered for many years without relief till she used B.B.B. Three bottles cured her. **Millie B. Parker**, Norland, Ont."
