PRILADELPRIA, June 28th, 15 ft.

Seth Hance, Baltimore, Mid. — Dear Sir: Seeder, your advertisement, i was induced to try your Epilepte Prits. I was associated with Epilepsy in July 1881. Immediately I my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then treat the treatment of another, but without any good effect, I again returned to my family physician; was cupped and bired several different thans. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in thout any permonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in thout any seen, and would fall wherever I would be, or whatever be occupied with, and was affected in my basiness, and I consider that your Epileptic Pills cured me. In February 1853, leavened to may your Pills, and only had two attacks afterwards. The last one was April 5th, 1855, and they were a less serious character. With the blessing of Providence of that distressing afflection. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly affected any have the benefit of them. Any person wishing further information can obtain it by culturg at my residence, No. Sir North Taird St., Phinadelpina, Pa.

was by my persuasion that Mr. Lyon tried your Pills,
lils case was a very bad one; he had fits nearly all his
life. Persons have written to mo from Alabama and
Tennessee on the subject, for the purpose of excertaining my opinion in regard to your Pills. I have always
recommended them, and in no instance where I have
had a chance of hearing from their effect have they
failed to cure. Yours, etc., C. H. Gry.

Having seen your advertisoned I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permaneut cure. The person is now a stont, healthy man, about 30 years of age, and has not had a fit since he communes taking page medicine, for your sense, lie western, since that time, been exposed to the severist of weather. I take great pleasure in relating a case of Spajans, or Fitz, cared by your invaluable Pills. My brother, J. J. Ligon, has been afficted with this awful dibeate. Up to the time he commenced taking your Fills he had them very often and quite severe, prostating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cared of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. Ayer's Hair Vigor,

For restoring Gray Hair to

A dressing which is at once agreeable, healthy, and ef-fectual for preserving he hair. Faded or gray hair is soon restored to its

original acolor, with the gloss and freshness of youth. Thin hair is thickened, falling, hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those delectrious substances which make some preparations daugerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING

nothing else can be found so desirable. Containing neither foll not dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.
