An advance is also reported in prime tar and pitch; the current rates here now are \$4.25 to 4.50. Coal tar and pitch are in demand at \$2.80 to 3.

OILS.—There is rather better demand for cod oil with considerable sales at 48c to 50c. In other oils the market is dull and prices unchanged.

ON THE recommendation of the Honorable the Minister of Customs, and under the provisions of the 1st section of the Act 31st Vic., Cap. 51, intitled: "An Act for the better securing the payment of the duty imposed on tobacco manufactured in Canada," His Excellency has been pleased to order, and it is hereby ordered, that the Port of Guelph, in the Province of Ontario, be and the same is hereby added to the list of Ports mentioned in the said Act, at which raw or leaf tobacco may be imported into Canada.

Interest on Sterling Debentures Payable in London.

NOTICE is hereby given, by order of the Treasury Board, that from and after the 1st of January next, no coupons on Debentures payable in London will be paid in Canada.

JOHN LANGTON,
Ottawa, Oct. 4th, 1871. Sec. Treas. Board.

Debentures Payable in Canada.

For the convenience of the holders of Debentures payable in Canada, the coupons will for the future be payable by the several Assistant Receivers General.

Coupons of Debentures of the late Province of Canada, will be paid either at Ottawa or at Montreal or Toronto.

Coupons of Debentures of Nova Scotia and New Brunswick will be paid at Halifax and St. John respectively.

Coupons of Debentures of the Dominion will be paid either at Ottawa or by any of the Assistant Receivers General in the several Provinces of the Dominion.

As the coupons must be verified where the Debentures are kept, before payment, coupons of the late Province of Canada or of the Dominion, if required to be paid elsewhere than at Ottawa, must be presented to the Assistant Receiver General where they are to be paid, who will give a receipt for them in a form furnished to him, and transmit them to Ottawa for verification, from whence he will receive authority to pay them. As a few days must thus elapse between the presentation of a coupon and its payment, they may be presented if desired before they are due, and upon being verified they will be paid by the Assistant Receiver General when due.

As the Books of the old debentures of Nova Scotia and New Brunswick are kept at Halifax and St. John, no delay is necessary for verification in those cases.

If any holder of a Debenture payable in Canada wishes to convert it into Dominion Stock, 6 per cent Debentures may be so converted into 6 per cent Stock, and 5 per cent Debentures into 5 per cent Stock at par. In this case the Debenture must also be sent to Ottawa for verification, whereupon the certificate of Stock will be issued.

T. D. HARRINGTON,
Deputy Receiver General.
