

It was Ben Johnson, we believe, who, when asked Mallock's question, "Is life worth living?" replied "That depends on the liver." And Ben Johnson doubtless saw the double point to the pun.

The liver active—quick—life rosy, everything bright, mountains of trouble melt like mountains of snow.

The liver sluggish—life dull, everything blue, molehills of worry rise into mountains of anxiety, and as a result—sick headache, dizziness, constipation.

Two ways are open. Cure permanently, or relieve temporarily. Take a pill and suffer, or take a pill and get well. Shock the system by an overdose, or coax it by a mild, pleasant way.

Dr. Pierce's Pleasant Pellets are the mild means. They work effectively, without pain, and leave the system strong. One, little, sugar-coated pellet is enough, although a whole vial costs but 25 cents.

Mild, gentle, soothing and healing is Dr. Sage's Catarrh Remedy. Only 50 cents.
