

Voluntary agreements and actions

- ▶ voluntary agreements to control international road traffic ¶

Information, education and training

- ▶ providing information to local authorities on transportation planning ¶
- ▶ providing drivers with information on traffic congestion ¶

Research, development and demonstration

- ▶ traffic management technologies and practices ¶

V. INDUSTRIAL PROCESSES

Regulations and guidelines

- ▶ regulations to reduce emissions from HCFC manufacture ¶
- ▶ regulations restricting the production of high GWP HFCs ¶
- ▶ regulations restricting N₂O emissions from adipic acid and nitric acid production ¶

Voluntary agreements and actions

- ▶ voluntary agreements to control HFC emissions in HCFC production ¶
- ▶ voluntary agreements to control PFC emissions from aluminium smelters ¶
- ▶ voluntary agreements to reduce CO₂ emissions from cement manufacturing processes ¶
- ▶ voluntary agreement to reduce N₂O emissions from adipic acid production ¶

Research, development and demonstration

- ▶ research on the reduction of PFC emissions from aluminium production practices ¶
- ▶ research on methods to reduce N₂O emissions from industrial processes ¶
- ▶ research on methods to recycle CO emissions within the production process ¶
