

judge makes a report of the evidence, and that is what has been published, according to what my hon. friend the Secretary of State has stated. I understand that my hon. friend ordered to be published the whole of the evidence as transmitted by the judge.

Mr. BLAKE. It is quite plain from the contemporary reports of the trial published in the newspapers, that there were certain discussions which, to my mind, are extremely important, but which have not been published, including those portions referred to by my hon. friend from Huron, and one which took place at a certain period of the trial between the prisoner, his counsel, and the court. There was also a discussion with reference to the proposal for an adjournment. None of those discussions appear, nor is there any report of the charge of the judge.

Mr. LAURIER. I would also ask the Government whether they intend to lay on the Table of the House copies of the petitions asking for the commutation of the sentence of Louis Riel?

Sir JOHN A. MACDONALD. The hon. gentleman can move for that.

RETURNS ORDERED.

Return of the Receipts and Expenditure, in detail, chargeable to the Consolidated Fund, from the 1st day of July, 1884, to the 1st day of March, 1885, and from the 1st day of July, 1885, to the 1st day of March, 1886.—(Sir Richard Cartwright.)

Return in the form used in the Statement usually published in the *Gazette*, of the Exports and Imports from the 1st day of July, 1884, to the 1st day of February, 1885, and from the 1st day of July, 1885, to the 1st day of February, 1886, distinguishing the products of Canada and those of other countries.—(Sir Richard Cartwright.)
