

## YORK COUNTY AND SUBURBS

## DISTRICT VOTERS HAD BUSY SESSION

Discussed Financial Relations of the Three Civic Car Lines.

## CONSTITUTION ADOPTED

Want Red Lights Placed Over the Fire Alarm Boxes.

A meeting of the executive committee of the East York District Voters' Association was held in Dominion Bank Chambers at 4:30 last evening. President Holmes occupied the chair. The chairman of the committee on bylaws and constitution of the association submitted the report of the work of the committee, which was approved of, subject to the ratification of the general meeting. A discussion as to the auditing of the accounts of the civic car lines and the methods of the three lines, Gerrard street, Danforth avenue and St. Clair avenue, and whether the St. Clair avenue line is paying or not making a profit received considerable attention. It was moved and seconded that the secretary write Commissioner Harris in this regard and ask for all information available.

**Fire Alarm Lights.**  
It was resolved that the civic authorities be written by reference to the placing of a red light on the fire alarm boxes in the East York district as done in the other portions of the city. The secretary was instructed to write to Mr. P. H. Drayton, Dominion Railway Board, Ottawa, in reference to the delivery of freight and parcels in the district to the city limits, and to ask what progress is being made in the matter by that body.

**Car Connections.**  
The following communication was read from Commissioner R. J. Harris regarding complaint that the St. Clair Avenue car did not wait for the Avenue Road Toronto Street Railway night car on March 17.

"I am in receipt of yours of the 30th inst. addressed to Mr. Power regarding night car of the civic railway meeting the Avenue Road night car of the Toronto Railway Company. Our schedules are arranged as to the proposed tour of the St. Clair Avenue car meets the Avenue Road car. On the particular occasion which you mention in your letter the Avenue Road night car was some minutes late and although the car was instructed to wait for the Avenue Road car, it was not possible to do so because of the length of time even though it may be late, in this case our instructions were not carried out. For this reason, and also an accumulation of other reasons, the motor-man who was in charge of the car which did not wait on the night of the 17th has since left our service."

**No Reply Received.**  
No reply was received from Mr. R. J. Harris, to the letter of the association in this case, although written to by the secretary over a week ago.

**General Meeting.**  
A general meeting was arranged to take place on Thursday, April 16, when Alderman Maguire will be invited to address the members. An entertainment will be given in the interval during the evening by P. E. Coughlin of The World, a member of the association.

## LAKE SHORE ROAD TO BE REPAIRED

Commissioner Harris to Make It a Dustless Avenue for Trade.

Commissioner Harris will tackle the Lake Shore road at once and try to make it from a bog to a dry, dustless, average for trade and for joy-riding. He will this time use the road-making machine. Only by the dust-drawing can the problem be solved. A spell of dry weather would give a hard surface, but just about the time the harbor commissions will have the sand pump making territory between the sea-wall and the roadway. The new territory will be higher than the roadway, and the water that will accompany the sand will get on to the roadway, and would change it into a canal if it is not tiled-drained.

The tile-drains can discharge into the sand, that will fill the roadway with sand. The roadway then will have a surface that will carry all sorts of traffic during all seasons.

## RUPTURE APPLIANCE SPECIALIST HERE

Old-fashioned, ready-made truss and other barbarous methods of treating rupture, once thought necessary—but now your search for relief is ended—satop wearing old-style, hard rubber, and leather-covered steel trusses, fitted with out-of-date pads under new names. J. Y. Egan, the well-known rupture appliance specialist, is now at his Toronto office, Suite 206, 14 King Street East (near Yonge Street). Telephone Main 5672. Mr. Egan's latest invention, the "Curative," and the "Curative" form, as now used and prescribed by many of Canada's leading physicians, will not only retain rupture perfectly, affording immediate and complete relief, but also nature to close the opening in a very short time. These new appliances, entirely new from anything else in the world, and not out styles offered under new names have received the highest awards, when awarded, and are the only appliances good and reliable enough to stand a trial. Mr. Egan gives a signed guarantee, contract with each appliance, entitling each person afflicted to a trial test or money refunded (as per contract), and positively guarantees you will not find it necessary to wear any other make of appliance. Mr. Egan has testimonials from our own citizens and physicians for inspection. Results are accomplished without drugs, injections or any other so-called foreign curative. Immediate relief guaranteed. Why continue to experiment elsewhere and pay high prices and duty on goods from foreign lands, when you can obtain better service right here in your own city? Try reliability for a change. Do not pay this price, but test this out now for name and address. Write to above address if you live outside of Toronto.

## MEANEST MARKET ON TOP OF EARTH

Old Scarborough Pioneer Condemns Toronto Market Accommodation.

## AT OLD BOYS' BANQUET

Men of Scarborough Held Annual Reunion at Clyde Hotel.

Fully a hundred people were present at the ninth annual banquet of the Scarborough Historical and Old Boys' Association, which was held in the Clyde Hotel, King street, last night. President Dave Beldam, in the opening address, referred to the loss Scarborough had sustained in the death of Wallace Thompson, license inspector for East York.

Responding to the toast, "Legislative and Municipal Institutions," Deputy Chief Stark said that among all the organizations we have there is none that appeals more closely to us than municipal institutions. "It is possible that we don't give enough attention to our municipal affairs," he said, "and sometimes our council are not up to the mark, chiefly owing to the large number of duties they have to perform."

**Old Pioneer Speaks.**  
W. Milliken, one of Scarborough Township's grand old pioneers, replied to "Scarborough, Our Township." Mr. Milliken wondered how many of the old families such as the Johnstons, Thomsons and Weirs were present. "I mean the pioneers, the real old boys of Scarborough," Mr. Milliken, who, although over eighty years of age, plowed in a match at Agincourt last fall, referred to the days when Toronto was little more than a village.

"My grandfather opened up a part of Young street," he said, "and the old gentleman then scored the St. Lawrence market. 'I am not a farmer now,' he said, 'but I stand with the farmers. It is a long time since I did business in the market, but I think that this city, with a population exceeding 500,000, has the meanest market on the face of the earth. Our aldermen ought to go to Buffalo and see what they are doing over there.'"

**Sure Winners.**  
W. Purvis also replied to the toast and recalled old times. He said he went to Scarborough School when John Murray was master. Jokingly he asked why Scarborough Township boys turned out good. "The answer lay in the fact that they were Scotch," he said, "but those of English and Scotch descent also make good." He hastily added.

**It's Grandmother's Recipe to Keep Her Locks Dark, Glossy, Thick.**  
The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks are again using it to keep their hair a good, even color, which is quite desirable, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy making at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides being beautifully darkening the hair, it also produces soft, lustrous and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair. Agents, Robert Simpson Co.

## HUMBERSIDE SOCIETY PRESENTS PLAYLET

Young Actors Displayed Much Talent at Closing Meeting

The Humberside Collegiate Institute Literary Society held their closing meeting and entertainment last night in the auditorium of the school. Following the time-honored custom, the dramatic powers of the members of the society were at this meeting displayed, and a playlet in three acts, entitled "Riverside Farm," was produced by some young actors.

**Amusing Sketch.**  
The sketch, which dealt with some exceedingly perplexing and amusing situations in the lives of certain citizens of a rural district in the vicinity of Spruceville, was remarkably well acted, and the members of the cast excelled themselves in their portrayals of the characters they assumed.

**Presentation Made.**  
After the playlet a presentation of a large bouquet of roses was made on behalf of the cast to Miss H. Charles, B.A., in appreciation of her efforts in directing the play, and the young ladies who were also presented with flowers.

A social evening, with refreshments and dancing, followed the 1913-14 season of the society, which, the president stated, had been the most successful in its history.

## WYCHWOOD

Mr. and Mrs. W. W. Wainwright, 106 Alcona avenue, Wychwood, have left that district to take up their residence at Braecliff Park, Port McNicoll, accompanying them were Mr. and Mrs. F. Norris, Mr. and Mrs. B. Parker, and F. Alston and J. Cummings.

Mrs. Norris was well-known in Wychwood as a prominent worker in connection with St. John's Church, and as a member of the choir and as secretary of the Girls' Friendly Society.

## ROBINS LIMITED

The Robins Bldg, Victoria and Richmond Sts. Tel. Adelaide 3200

## FAIRBANK

A letter was read at the meeting of the North East York and Fairbank Ratepayers, held in the public school, Vaughan road, last night, from Reeve Syme in reference to the proposed tour of the York Township Council that the council had been unable to fix a suitable date, but would do so at their next meeting.

## IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is Sign You Have Been Eating Too Much Meat.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid, which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and leggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels, removing all the body's urinous waste, also you have backache, sick headache, dizzy spells, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night. Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

## PEOPLE USE DEATH-TRAP ON YONGE ST. DAILY

A sidewalk is urgently needed on the west side of Yonge street, from the Village of Thornhill, to the top of Long staff Hill, as pedestrians are forced to use the Metropolitan track in order to keep out of the mud, and accidents are liable to occur every day. In stepping off the track to avoid a passing car people are in danger of being run down by motors, which increase in number every month. In fact some time ago a man was killed in this way.

## REPLENISH YOUR BLOOD IN THE SPRING

Just now you are feeling "out of sorts"—not your usual self. Quite exhausted at times, and cannot devote real energy to your work. Sleep does not rest you, and you wake up feeling "all tired out." Perhaps rheumatism is flying through your muscles and joints, or maybe your skin is disfigured by rashes, boils or pimples. Headaches, twinges of neuralgia, fits of nervousness, irritability of temper and a disordered stomach often increase your discomfort in the spring.

The cause—winter has left its mark on you. These troubles are signs that your blood is poor and watery, that your nerves are exhausted. You must renew and enrich your blood at once and restore tone to your tired nerves, or there may be a complete breakdown. The most powerful remedy for these spring ailments in men, women and children is Dr. Williams' Pink Pills for Pale People, because these pills cleanse bad blood and strengthen weak nerves.

New, rich, red blood—your greatest need in spring—is plentifully created by Dr. Williams' Pink Pills, and with this new, pure blood in your veins you quickly regain health and increase your strength. Then your skin becomes clear, your eyes bright, your nerves strong, and you feel better, eat better, sleep better, and are able to do your work.

These pills are sold by most dealers, but do not be persuaded to take "something just the same." If you can't get the genuine pills from your dealer, they will be sent you by mail, post paid, at 50 cents a box, or six boxes for \$2.50, by writing The Dr. Williams' Medicine Co., Brockville, Ont.

## GRAND VIEW DOCTOR CHARGED WITH FRAUD

Said to Have Sold Land to Brampton People Under False Pretences

Dr. Charles W. Burns, a physician of Grand View, Manitoba, is held in Brampton on a charge of obtaining money under false pretences. In the year 1912 Dr. Burns came to Brampton and called on Dr. Brydon, a local physician and told him that he had a quarter section near Prince Albert, Sask., which his uncle, Mr. Vine of that city, had sold to him at the cost price, \$200 per acre, although it was now worth much more, but that he needed the money. Dr. Burns claimed to take over the section. As a result Dr. Brydon, Judge McCallum, B. F. Justin and J. E. Dixon agreed to purchase 117 acres at \$200 an acre. Eight thousand dollars was paid as part payment, and it is alleged that Dr. Burns presented what purported to be maps of the district, one and a half miles from the centre of Prince Albert.

Becoming suspicious Judge McCallum visited the district and found the property absolutely useless for any purpose. An effort was made to locate Dr. Burns, and when eventually found at Grand View, a warrant was presented by him. When the warrant was presented Dr. Burns went back to withdraw it, stating that he and the executor were unanimous that not arriving, he was brought before the magistrate yesterday and committed on a charge of fraud.

**Only One "BROMO GUININE"**  
Whenever you feel a cold coming on, think of the full name, LAXATIVE BROMO GUININE, E. W. GROVE'S signature is on box, 25c.

## N. TORONTO RATEPAYERS MEET THIS EVENING

A ratepayers' meeting will be held in the old town hall at North Toronto this evening. The executive of the association met on Thursday night and decided to start a campaign for improved transportation. The bill now before the legislature regarding the submission of money bylaws in the city to Jan. 1 only was discussed. D. D. Reid pointed out that the bill carried the street railway matter should be taken up on Saturday night.

## WILL ERECT SEVENTY-FIVE HOUSES IN MOORE PARK

Building promises to be brisk in the Moore Park district this summer. A building company has purchased a large piece of property in the neighborhood and intend erecting 75 houses this year. One of Toronto's best known real estate agents stated yesterday that there will be an immense development of Moore Park in the next few years, because of the near possibility of a railway line running thru the district.

## SMOKE NUISANCE

SOFT COAL USERS ATTENTION

The Eureka Smoke Consumer Company of Canada Limited undertake to install their patent machine on any boiler in the City of Toronto, and guarantee to eliminate 90 per cent of the smoke from the stack, also a saving of fuel, and increase steam efficiency, and keep boiler in good condition. This Consumer is endorsed by Boards of Trade, Chambers of Commerce, Municipal and State Institutions, and Railways throughout the United States. SEVERAL OF THESE MACHINES HAVE RECENTLY BEEN INSTALLED IN TORONTO. Inspection invited. Demonstration given at a library.

The Eureka Smoke Consumer Company of Canada, Limited, Phone Main 4774, 34 King Street West.

## BATHURST HILL RATEPAYERS MET

At a meeting of the Bathurst Hill Ratepayers last evening in Hillcrest Public School, Chairman J. M. Warren presiding, the matter of improvements for Hillcrest School was discussed. It was pointed out that there is no outside entrance to the girls' basement, and should fire occur the only exit is by the staircase to the front of the building. Another grievance is that the use of the front doors continually prevents the proper heating of the school.

A resolution was passed that the board of education be approached, and the following committee was appointed: Messrs. Bromley, Bradshaw, Irwin, Strang, Tibbs, Boxall and Warren.

## PAVLOWA ACADEMY

212 COWAN AVE.

Monday evening of each week will be Formal Night, when the floor will be reserved for those in evening dress only. Open each evening 8 to 12. Bodley's Orchestra. European system. Exclusive patronage.

## HOFBRAU

**Liquid Extract of Malt**  
The most invigorating preparation of its kind ever introduced to help and sustain the invalid or the athlete. W. H. LEE, Chemist, Toronto, Canadian Agent. MANUFACTURED BY 246 THE REINHARDT SALVADOR BREWERY, LIMITED, TORONTO.

used as a classroom, is said to be a fire-trap, and this will also be dealt with. A resolution deploring the unsuitability of the building for public library purposes, and urging the necessity for a library building being built on the site owned by the city at the corner of Bathurst street and St. Clair avenue.

The association also decided to ask the city to lay tracks from the C.P.R. tracks to St. Clair avenue prior to the laying of the pavement of the road.

**Names Changed.**  
The name of the association, after much discussion, was changed from its present title to the Hillcrest Ratepayers' Association.

**A Modern Apartment Home.**  
The perfectly appointed Lakeview Apartments, overlooking beautiful Lake Ontario, makes an ideal home. Phone Park 5456.
