

Right is Might

The Christian Science Monitor—the one great international daily newspaper, stands squarely on the platform that “right is might.”

Fearless in the presentation of facts as they are, progressive in all that it advocates, universal in its appeal, and absolutely truthful, the Monitor is recognized as an authority on affairs to which it gives its attention.

It is an important channel through which to obtain reliable information of the activities that are today shaping the social, business and political life of tomorrow.

The Monitor aids the individual to lift thought from the limits of personal considerations to the greater responsibilities to country and fellow men.

The Christian Science Monitor, at 3c a copy, is on general sale throughout the world at news stands, hotels and Christian Science reading rooms. A monthly trial subscription by mail anywhere in the world for 75c, a sample copy on request.
