FIRE BIG DRIVE IN AUGUST

Premier Asquith Makes State- Losses of Division Reported Soldier of New Army De- To Investors: Greatest Sustained by Any During War.

TONDON, July 20.—A large part of LONDON, July 20.—It is likely some the shipments of American cotton held up by England probably will be condemned by the prize court. This Canadian artillery in the recent enwas indicated by a ruling made today gagements. After the battle of great throw in the war," was the con-Ypres, for instance, the Canadian The ruling was announced by the eye-witness omitted mention of the hoard of trade, which holds that, if artillery engaged, which were Canthe ownership of cotton shipped un- adians. The casualties which then der the agreement with American exoccurred among the infantry batporters passes from the American talions were published at once, but shipper to an enemy of Great Britain the artillery casualties came out in it will not be purchased by the British driblets for six weeks, which with Government under the terms of agreeother incidents aroused an impression among Canadians that their own artillery were not engaged at Ypres. Premier Asquith touched on the cotton question during the debate in the house of commons today on the

Heavy Losses.
The indisputable facts are that the Canadian artillery lost more men at Ypres than any other artillery division has so far lost during the war. Losess in killed and wounded were over 350, which were very heavy when it is remembered that most of the time only actual gun crews. amounting to about 120 per brigade, were under fire, the remainder being far to the rear with the horses. The first artillery brigade, for instance, lost 82 at Ypres, chiefly gunners, out of 120, while at Neuve Chapelle the which is a necessary ingredient in the manufacture of som very formid-able kinds of ammunition, reaches the enemy which ought not to reach him. heaviest losses in any single British battery were 12, and the total for the most exposed brigade about 30.
The artillery actions under the

rights not unduly to infringe on present siege conditions are not as spectacular as if going into action the trading interests and legitimate susceptibilities of neutral powers with which we are on terms of perfect amity, and with which we do not dewith horses, and ammunition wagons in the open, but Canadian losses at sire to provoke anything in the na-ture of unnecessarily gratuitous quar-Ypres were quite as heavy as those of the infantry. The tenth battery lost 123 men out of 140, because they The premier added that no subject had to manoeuvre in the open. The first battery lost one major, two subof about 40 actually in gun emplacements. Six out of 16 guns were smashed by direct hits. WASHINGTON, July 20 .- Any de-

Double-track had less than six months of training. the state department holds that under international law it is not subject to confiscation without compensation. The British order-in-council pro-Training Grounds Desarted.

For the moment Aldershot, Salisbury Plains, and all the great training centres are deserted. They will be reserved for the new recruits, compulsory and otherwise—expected as soon as the national register, the half threat to compulsion, is completed. Meanwhile those left in Kitchener's army are training harder than others. Nothing has awakened Britain to the needs incurred by this war more than the present and sudden great move-ment of troops. The men are not like those of the old regular army, which was drawn mainly from the poorest classes of the community, and whose departure meant little to the life of the nation at large. The present forces are composed of men of every class, altho the middle classes dominate and when they go they will take the heart of half of England with

On all sides, physically and mentally, they are acknowledged to form the best great body of troops that has ever left the shores of Britain. Even carping staff officers from the war office can not find one word to say against them.

"This is England's last great throw in the war," repeated the private in the Royal Fusiliers.

Nearing the Goal

Quarter Back has been steadily nearing the goal. He has tried hard to get round and dodge thru the public that has been thronging Hickey's, 97 Yonge street, but in the end he will have his touch down. Nevertheless the time is every day nearer when the game will be over and it will be too late to share in Hickey's bargains. This is the greatest opportunity men and young men ever had in the history of the city. Hickey's had an inspiration when Quarter Back began spectacular career. He is nearing his nish, and those who want to share in the final should hurry up and get busy
