FROM THE GREAT-WEST LIFE ASSURANCE CO., WINNIPEG.

J. J. W. Deuchar, F.F.A., F.I.A., General Manager and Actuary of the Norwich Union Life Assurance Company, speaking of investments says:—

"It may serve to indicate the great importance of obtaining a good return on the investments, if it is realized that one per cent. of increased interest on the funds of a company will, on the average, have as great an effect as a saving in expenditure equal to 10 per cent. of the premium income, while, if an office could count on realizing 10 per cent. interest in place of 3, it might reduce its premiums some 20 per cent., or double its bonuses."

Mr. Deuchar does not name THE GREAT-WEST LIFE; but the above statement exactly describes the happy position of its policyholders.
